To
Shri Sitaram Kunte (I.A.S.)
Municipal Commissioner
Greater Mumbai Municipal Corporation
Mumbai

Respected Sir,

Greetings from MCHI-CREDAI, Compliments of the Festive Season, and Best Wishes to our State, Maharashtra, for a Happy, Prosperous 2013.

We appreciate the time and interest you have taken in the problems and issues affecting the Real Estate Sector in Greater Mumbai. As you would have gathered in the meeting we have had with the Hon'ble Chief Minister, on September 18, 2012, a number of core issues lie within the BMC's area of operations.

Our members have been looking to the speedy resolution of some of these issues, so that projects, which have been adversely affected, could take off. The cause of Affordable Housing too has been set back, because of the lack of development of residential projects.

Sir, pursuant to our last meeting on 17th August, 2012, we had presented a list of important points for discussion, vide our Letter No. MCHI/PRES/12-13/095 dated 18th December, 2012. A copy of the letter is attached for your kind reference.

Sir, may we request you to grant our Office-bearers an opportunity to call on you, at a time convenient to your goodself, early in January 2013.

We look forward to your kind response.
