Sub: Ease of Doing Business (EODB)/ Land Records and Revenue

Dear

Please refer my earlier DO letter dtd. January 15, 2016 bearing No. MCHI/CEO/15-16/192 and my personal telecon on the subject. Also please refer our last meeting held with you on 12th February 2016 in your chamber at Mantralaya to discuss the issues related to "Revenue Reforms".

In this meeting, you were kind to call the concerned officers and District Collectors (through VDO conference) to discuss the aspects related to these issues and also we tried to resolve the problems with proper solution with fruitful discussions. In this meeting our Vice President Shri Nayan Shah, briefed the suggested points to all the delegates in the said meeting. MCHI-CREDAI forwarded valuable suggestions points to you already with reference to Ease of Doing Business in Revenue Department at various government levels in MMR area.

Further to this important meeting with you, I met Shri Sambhaji Kadu Patil (I.A.S.) Settlement Commissioner of Government of Maharashtra on 9th March 2016 in his office at Pune. In that discussion with the Settlement Commissioner, we discussed the issue of circulars prepared by Revenue Department with reference to the meeting held on 12th February 2016. All the concerned officers who attended this meeting at Pune and the Settlement Commissioner have agreed upon the contents and edits incorporated in the Meeting.

However, unfortunately, no directions/circulars are yet issued by the Department for a uniform action at the ground level. Moreover, nothing has progressed in the matter of the BKC Plots still being treated as Agriculture Land and every organization has to seek temporary NA permission spending money & time in the process.

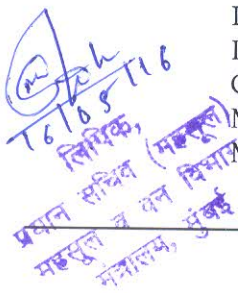

Kindly do the needful in the matter and oblige. You are our last hope for necessary changes leading to make the Ease of Doing Business happen practically!

Yours

(S. S. Hussain)
