Sub.: Ground booking at MMRDA, BKC Ground, Plot No.14, 15 & 16 for "Property Exhibition" organized by MCHI-CREDAI.

Dear

Please recollect our telecon discussion on 26th March, 2014 on the above subject.

Thanks for the allotment of Plot No.14, 15 and 16 for our upcoming '**Property Exhibition**' of MCHI-CREDAI, in the month of October 2014. You may appreciate that we need the entire ground for our exhibition setup, as we are doing regularly every year. As per the diagram provided by your office the allotment shows Plot No. 15 and 16 reserved for parking and only Plot No.14 for event set up which is not enough area required by us for the event set up.

The MCHI-CREDAI has to utilize Plot No.14, 15 and 16 entirely for the grand annual 'Property Exhibition' set up and also require additional area for parking space as per the MMRDA rule, i.e. 50% (apprx. 13850 sq. mtr.) of the above area.

Submitted for your kind consideration please.

Yours

(S. S. Hussain)
