Subject: Non-functioning of 'PARIVESH' resulting in
delay of Environmental Approval

Respected Sir,

As you are kindly aware that PARIVESH (Pro-Active and Responsive facilitation by Interactive, Virtuous and Environmental Single-window Hub), an application which automates the entire process of submitting the application for environmental clearance and tracking the status of such proposals at each stage of processing. This is to bring to your kind notice that our members have been trying to upload their applications on PARIVESH for the last four or five days but without any success. We have brought this difficulty to the notice of the Ministry of Environment, Forests and Climate Change but no solution has emerged so far.

The non-functioning of PARIVESH is causing wastage of time and money and is creating unnecessary stress to the project proponents and also adversely impacting the investment pipeline. Hence, we solicit your kind intervention to have the matter set right, if necessary, by allowing for an alternative mode of submitting applications for environment clearances.

In this regard, we earnestly request your good-self that SEIAA to urgently pursue the matter by writing a letter to MOEF, Government of India requesting that the problem in the PARIVESH Portal be immediately resolved

and to setup a proper helpline with adequate manpower to enable and handle a large number of cases till it is resolved completely. We feel it is very
