Dear Mr. Amol,

We need to collect the consolidated requirement of interested participants to enable decide on going ahead with the e-auction of Cement for February 14, 2014.

Attached please find the template for collecting the data. Please fill up your data and mail back to the undersigned.

Further it is proposed to use MCHI e-auction tool as at this juncture we do not want to incur cost on e-auction services of external parties.

As seen in the last month, there is challenge in participation of Ultratech, ACC, Ambuja and Binani. However we have spoken to some others who are willing to give it a try like Vasavadatta, Hati, India Cement etc.

You are also requested to individually bring any other supplier who is willing to participate in the event.

We will take a final decision based on your responses.

Please revert today itself.
