June 15, 2016

**Sub: Clarification on utilization/computation of BUA of CRZ part of the plot for construction on contagious non CRZ part of the plot of single owner reg.**

Dear

Please refer to your letters written in response to my queries about the above subject. I have already thanked you for the clarification issued on the same. It appears that the Director, Environment & Member Secretary, Maharashtra Coastal Zone Management Authority has sent a letter to your goodself dtd. 07.06.2016 for confirming and requesting the authenticity about the letters dtd. 28.09.2015 & 01.10.2015 addressed to me by Ministry of Environment, Forest and Climate Change Department.

It is rather surprising that the Municipal Corporation of Greater Mumbai and the Environment Department have taken up the issue for only confirming the above letters from Government of India after 8-9 months. This is the good example of the effort taken for Ease of Doing Business and expediting certain processes. There was no consideration and implementation of above clarifications for months and now they want your confirmation of the issue of these letters.

Under the circumstances, I request you to please issue the requisite clarification as requested by them at the earliest so that the wheels of administration and fair treatments are started at the earliest.

Yours

(S. S. Hussain)
