**Sub: Allowing rehab units to be used as temporary site office, sales office, storeroom etc. till OC of the building.****Ref: DO letter dtd. March 5, 2018 bearing No. MCHI/CEO/17-18/148**

Dear

Please refer to my DO letter sent to you on the above subject dated. March 5, 2018. The is issue is very clear, **allowing the space for temporary site office till the OC of the building is granted for SRA projects.** Since, there are no clarity and standing orders about such temporary used office space for the site office purposes, it is creating difficulties for the project developer. As you are well aware that in all such development/redevelopment works, the project developer requires site office to handle his day-to-day site functioning as well as showing sample flats etc.

I will be grateful, if the general directions and circular are issued for the above purpose for the benefit of everyone concerned, I am sure you will agree that it will avoid unnecessary constraints and confusion about this type of the structure, which is completely temporary and has to be demolished before the project is completed and OC is granted.

Please do the needful, issue the general standing orders, and oblige.

Yours

(S. S. Hussain)

To,
