2) Our letter dtd. 5th July, 2012 bearing No. MCHI/PRES/12-13/018

Respected Sir,

Greetings from MCHI-CREDAI

With reference to our last meeting on 11th June 2012 at MCGM Office, we have presented to your office the issues related to New DCR that require your immediate intervention & our suggestions thru a Power Point Presentation.

Regarding speedy approvals - formation of Special Committee to resolve interpretation issues related to New DCR

Sir, we had recommended to form a special committee to meet every fortnight with your Engineers at various BP's thereby allowing them to discuss and decide on the interpretation with regards to various cases. If this committee meets for the next 6 months continuously all the issues that have interpretation problems will get resolved after which this committee may be disbanded.
