Principal Secretary

Environment Department

Government of Maharashtra

Sub: Request to grant EC on the basis of full potential / Conceptual Plan

Respected Sir,

Presently, the EC is being granted on the basis of the plans approved by the planning authority. However, as per para 3(b)(i) of the office memorandum reproduced herein below, the conceptual plans are required to be considered for grant of EC;

- i. For building/construction projects (item 8 of the Schedule), in the prescribed Form-I given in Appendix I, along with Supplementary Form 1A as given in Appendix II, as prescribed in EIA Notification, 2006 and a copy of the detailed conceptual plan;

In view of the above and to avoid repetition of submission of proposals for environmental clearance, the EC may be granted on conceptual plans with an undertaking from the project proponent that in the event of any deviations in the conceptual plan and the approved plans the project proponent will be bound to obtain to revised EC from SEIAA.

Hence, I would like to request you to take the cognizance of the MoEF & CC Notification issued on 22 Aug 2013 & the OM issued on 20<sup>th</sup> Aug 2018 to issue the necessary directions with clarifications to the SEAC & Govt of Maharashtra to accept the project as per the earlier practice with full potential / Conceptual plan before insisting for the IOD (Intimation of Disapproval).

This process is already in place in other states, hence our humble request you to implement at Maharashtra to ease the process.

Thanking in anticipation of speedier action in this regard and look forward to your continuous help and support.

Yours Sincerely,  
For CREDAI-MCHI
