Dear *Shri Bhatia*,

We had a meeting with the Commissioner MMRDA recently about the issue of Housing Policies in general by the office bearers of Maharashtra Chamber of Housing Industry (MCHI). One of the points of discussion with the Commissioner was about the approval of plans by MMRDA as the Special Planning Authority in the region.

The issue was specifically about the current schemes in Panvel, Raigad District, where the projects were already approved by the collector. Till NAINA offices start approving the plans, amendments etc. may be considered by MMRDA as the Planning Authority. Since this work has been transferred from MMRDA to CIDCO, I request you to please consider this for expeditious clearances of projects in Panvel, Raigad areas which are held up because of the jurisdiction of the 2-3 authorities involved in this region.

Please do the needful and oblige.

Best personal regards,

Yours

Sincerely
