Shri Iqbal Singh Chahal (I.A.S.)
Hon'ble Municipal Commissioner
Municipal Corporation of Greater Mumbai
Mumbai.

December 7, 2020

Sub: Request for Extension in Relief on all Payments to be made to ULB and Govt. of Maharashtra until 30th June 2021

Ref:- MCGM Circular no. CHE/DP/3274/Gen dated 31st July 2020

Respected Sir,

A very hearty congratulation one more time for the stupendous work done thus far by MCGM under your able leadership in the fight against the pandemic. Mumbaikars are truly fortunate and grateful to have someone like you amidst us at a crucial time like this. MCHI and the Real Estate industry in the MMR region have done their best too within the meagre means available to assist the MCGM in its mammoth task of containing the pandemic.

Sir, you have not only been a messiah for the fight against Covid-19, but you have the rare distinction of having managed to kick start the Mumbai economy albeit the tough act of balancing between Mission Begin Again initiatives and keeping the spread of the virus in control.

The Real estate industry is well acknowledged to be a vital catalyst in the economic growth, in both the Good and Services' sectors. Our role in tax generation (direct and indirect taxes), employment generation in the formal and informal sectors and in fulfilling the basic housing necessity of the citizens of this great nation is a tremendous responsibility which we take very seriously at CREDAI MCHI.

Moreso, the State Government and MCGM within their limited means have positively responded to the needs of the business community and thus the temporary reduction of stamp duty, postponement of payment of premiums, recommendation for reduction of premiums by 50%, Zero pendency in file approvals is well received by our industry.

Sir, we feel that we need to continue to support the revival of the Real Estate industry for another few quarters until we ensure that the green shoots of revival are firmly placed on a strong foundation of growth. This will bring back Mumbai to its old glory sooner than other leading cities of India. The Real estate industry is still in the grapple of cash flow mis-match, banking challenges, credit rating downgrades, etc and we are still battling the ill- effects of Covid-19 induced lockdowns.

As you are already aware that we are still under partial lockdown where we are allowed to operate only with 30% of office staff, local trains are not fully operational for common people, there is still shortage of labour at site due lesser Long Journey Trains. Hence, our construction and operations are not fully operational. Any further payment pressure will again derail our sector and the industry will remain in doldrums.

Thereby, we wish to draw your attention to the MCGM circular dated 31st July 2020 with regards to granting extension in due dates of all the payment / installment facility until 24th December 2020. As we are approaching the due date very soon, the developers will be under tremendous pressure from MCGM towards making the payments due. We are unfortunately expecting a large number of developers to default because of serious cash flow issues or banking related problems wherein banks are not disbursing any further loans nor letting us use the sales proceeds unless their interest is paid in full.

Therefore, CREDAI-MCHI humbly requests you to please defer the date of payment of all pending charges & instalments (including premium FSI, Fungible FSI, staircase FSI, development charges etc.) further by 6 months until 30th June 2021, without charging of any interest/penal interest.

Your urgent and immediate intervention in this matter will help the industry in maintaining the momentum and continue its path to revival.

Thanking you for your continuous support.

Yours Faithfully,
For CREDAI-MCHI

Deepak Goradia
