Respected Sir,

Greetings from **MCHI-CREDAI**

MCHI-CREDAI's Core Committee Members had the last meeting with you on 17th August, 2012.

Sir, we would like to draw your attention that in the recent meeting of the Zonal Executive Engineers and Dy. Chief Engineers, which was chaired by Chief Engineer (DP) about 10 days back. In that meeting it was orally advised to all the Executive Engineers that they should charge 100% premium for the open space deficiency for the Fungible FSI being utilized.

As this is a very serious matter and will affect to the industry in a big way. Therefore we request you to give us an urgent appointment to discuss the above with Core Committee Members of MCHI-CREDAI at the earliest.

Sir, we have to also discuss on implementation of few points which we already taken in our previous meetings with you. We are attaching those few points herewith this letter for your kind perusal and necessary action.

We look forward to your favorable response.

With Warm Regards,
For MCHI-CREDAI
