**Sub: Appreciation Letter**

Respected Sir,

CREDAI-MCHI, the Apex developer's body would like to place on record a sincere appreciation to you and your team for the bold decision taken by asking the flat buyers of Dadar development to not withdraw in bulk as it could jeopardise the completion of the project and impact 520 other flat buyers.

This decision is indeed a positive move for the developers by passing the order dated 9<sup>th</sup> January 2019, as it encourages the developers as MahaRERA being more transparent and fair to both the developers' & buyers' fraternity in the real estate regime.

Sir, we strongly believe that such bold decisions and directions will definitely create a positive environment specially during this bad patch scenario prevailing in the real estate market.

We look forward to your support and guidance, as always in the past.

Yours sincerely,

For CREDAI-MCHI
