COVID 19

Respected Sir,

We thank you for giving us this great opportunity to CREDAI-MCHI to make all the arrangements at MCMCR. We promise you that we do our best and that we will have facilities made available for up to 500 patients. Our Mr. Satish Kumar is a onepoint contact person – (contact details are Mob: 9920989104 & Email: satish@mchi.net) along with him is team of Ikwinder Singh, Sanjay Phope, etc. They have been made to join in different groups of relevant WhatsApp Group for this COVID 19.

Sir, one request that we had was that under the Corporate environment responsibility every developer is supposed to spend for environment purpose. So we would be very glad if you could please issue a circular that whatever expenditure is being done is in making this facility in MC/MCR, the expenditure done by the developer will be eligible towards the faithful compliance of the funds that he has to spend towards CER. We also request that this may also be communicated to the Ministry of Environment of the State Government also to the Central Govt. Ministry also that this funds being an emergency will be allowed to be utilized for so and so purpose.

We also request you to please share a list of the entire CER list of the project that are eligible in Mumbai so that we can contact them. At the moment a couple of our members are bearing the cost but in case if it goes up then we may have to contact other people also for the same. If the Central Government agrees to it then allow other works in Mumbai, which we need. Can we distribute in Mumbai with the different developers and they can spend directly and fulfill the conditions that they have to do.

Thanking you,

Yours Sincerely, For CREDAI-MCHI

Nayan A. Shah
