**Sub : Permission to construct Stilt/ Lift/ LMR & OHT as per concessions approved in Phase I of the scheme.**

Respected Sir,

You are aware that after concessions for full potential are obtained, developers take IOA/ CC in phases - i.e. for basic FSI, later on for FSI with TDR and for fungible FSI so that the premium payable can be deferred at that stage.

So as to speed up process of handing over building and obtaining Part OCC in stages, we request that the staircase, OHT on staircase and LMR core may be allowed to be extended and constructed as per no. of floors for which concessions is approved.

This will ensure that the lower floors can be given earlier possession even if work on upper floors is under construction.

Kindly consider the request and oblige.

Thanking you,

Yours faithfully,  
For MCHI-CREDAI
