Collector and District Magistrate,
Thane District.

Dear

With reference to our last meeting held with Hon'ble Chief Secretary on October 29, 2013 regarding 'Construction Workers Colony' at Chief Secretary Office, Mantralaya, I would like to take it further on the issues related to locate and identify the availability of land in your district.

MCHI-CREDAI needs, about 20-25 acres of land for development of a good housing complex with all new amenities as well as school education and medical facilities for Construction Workers Colony. We feel that it would be appropriate that this land should be located very close to Railway Station so that commutation would not create a problem.

Hence we would like to request you that if you have any such type of land piece suitable for the purpose, then please identify and locate the same and intimate MCHI-CREDAI and Government of Maharashtra for next positive follow-up action to get the project going.

Yours

(S. S. Hussain)
