Sub: Taking up Environmental Clearance of the Pending Proposals.

Dear

It is requested to the department that the Environmental Clearances of all the proposals and the future proposals to be taken up for hearing by the Environmental Committee, should always be in chronological order in accordance with the Office Memorandum No. J-11013/41/2006-IA.II(I) dated 18th May 2012 issued by the Central Government. Copy of which is enclosed herewith.

There are also numbers of projects, which are submitted, which has already obtained Environmental Clearances and are being resubmitted due to modification/amendment etc.

We request you, to take up those projects on priority basis as the proponents of the project has already started/commenced the work and there is heavy investment which is costing heavily to the developer.

Yours

(S. S. Hussain)

In continuation to this Ministry's Office Memorandum of even no. dated 9th September, 2011 regarding the above mentioned subject, the matter has been further considered and examined in the Ministry. Accordingly, para 3(iii) of the above referred O.M. is substituted by the following:

"(iii) In the eventuality that the stage-I forestry clearance is not submitted by the project proponent within the prescribed time limit mentioned at para (ii) above, as and when the stage-I forestry clearance is submitted thereafter, such projects would be referred to EAC for having a relook on the proposal on case by case basis depending on the environmental merits of the project and the site. In such a situation the EAC may either reiterate its earlier recommendations or decide on the need for its reappraisal, as the case may be. In the eventuality, a reappraisal is asked for, the Committee will simultaneously decide on the requirement of documents / information for reappraisal as also the need for a fresh public hearing."
