Dear

I wish you Best Wishes for your birthday and for establishing New Headquarter building for Navi Mumbai Municipal Corporation at C.B.D. Belapur.

It is a great privilege and a matter of honour for all residents of Navi Mumbai that the NMMC's iconic headquarters, unique in so many ways, has become a reality.

I also feel elated as I had been personally involved with the development of Navi Mumbai since 1990's.

I would like to once again, Congratulate you and all your Team for putting up great efforts in creating this grand Masterpiece in Navi Mumbai.

All the Best for your new, challenging Assignments.

Yours
