The above training institutes which have been accredited by NSDC/CSDCI, Delhi will impart training to the trainers in the field of masonry, carpentry, Concrete Form work and bar bending, plumbing, electrician and painting etc. The experienced workers who have the aptitude to get trained and also to impart skill training to the workers will be selected to undergo one-month training in the above training institutes.

You are requested to contact the above institutes and suggest eligible names of workers to be expert trainers with 10 to 12 years of experience in the relevant fields. Once these trainers are trained they will be assessed and will be certified as expert trainers by CSDCI. You will need to start with program of training your workers in all the disciplines and complete the training of entire labour force once these trainers are available, during the construction period mentioned on the MahaRERA web portal. The information in this respect should be updated on a quarterly basis in the project professional section of the application.
