MCHI MEMBERS

Sub.: Relaxation up to Plinth for Submission of NA Order in Thane Municipal Corporation Region.

Ref.: Town Development Dept. TMC Circular: 5337, dt. November 16, 2011.

Dear Friends,

We congratulate MCHI – Thane Unit for getting Relaxation up to Plinth for Submission of NA Order from Thane Municipal Corporation.

This has been only possible due to their subsequent follow up with Thane Municipal Authorities pertaining to the hardship in getting NA Permission and delay in Commencement of Construction Work.

TMC Authorities particularly Hon'ble Commissioner of Thane Municipal Corporation has agreed to grant a relief to MCHI – Thane Members.

They would now get CC instead of permit without NA order in their proposal and they can continue to work up to Plinth Level.

Kindly find herewith attached a copy of the circular for your reference.

Thanking you,

Best Regards,
For Maharashtra Chamber of Housing Industry
