Sub: Vibrant Gujarat - Enabling Affordable Housing

Dear Sir,

A few of our top leading developers of the MMR region had the opportunity to visit Gujarat during the Vibrant Gujarat Festivities and we were amazed by the infrastructure that was created. We were enthused by the fact that affordable housing is being given such an important position in Gujarat and also the fact that you yourself was taking a personal interest in the same.

We were very impressed and motivated on hearing the speech of Hon'ble Minister Housing, UD and Revenue Mrs. Anandi Ben Patel.

MCHI-CREDAI (recognized by Government of Maharashtra and the Government of India) was formed in 1982 and is the most prominent and the only recognized body of over 1000 leading Real Estate Developers in Mumbai and MMR dealing in Real Estate Development on one common platform to address various issues facing the Industry in Mumbai and has expanded across MMR, having its units in Thane, Kalyan - Dombivli, Mira - Virar City, Raigad and Navi Mumbai.

Our members account for 80% of the organized Development of new residential and commercial properties in Mumbai and MMR and helps in meeting their objectives of providing housing, which is a basic necessity. We work towards raising awareness among the General Public, Real Estate and Construction Industry while providing them information on new development opportunities.

Encouraged by your foresight of making affordable housing in Gujarat, we would like to organize a conference wherein the Developer community would have the opportunity of hearing from you directly the vision that you have towards this.

Our members would utilize world's leading technology in affordable house building and they collaborate with international companies and organizations towards creating affordable housing. We assure you that our 1800 members are capable and looking forward to building magic, thereby achieving the needs of the State as well as of the Developer community towards growth and prosperity.

Sir, may we request your time on any day to your convenience in February to hold this Conference. We will organize the same and the venue can be the Y.B. Chavan or NCPA Auditorium in Mumbai.

We can assure you of an audience of at least 700 very capable developers who will use their resources and ability to fulfill your cherished dream.

We look forward to a positive response from you at the earliest.

Yours Sincerely,
For MCHI-CREDAI
