

Ref. No.: MCHI/CEO/14-15/019

July 9, 2014

To,
The Managing Committee Members of MCHI-CREDAI.

Dear All,

Sub.: Dopplar Radar Representation to be made to the Hon'ble P.M.

All of us are aware that a petition is filed by MCHI in the Dopplar Radar matter, for immediate relief, at Bombay High Court. Simultaneously, it has been decided that a representation should also be made to Hon'ble P.M. in the light of the factual background of the Dopplar issue.

MCHI had asked its Advocate on Record, Shri. Rahul Dwarkadas to prepare a representation based on the factual aspects of the matter (attached herewith a copy for your perusal). A humble request to all, kindly go through the same & give any suggestion/objections to be modified in the draft representation, **please send in your views for incorporation by tomorrow, i.e., 10th July 2014.**

Awaiting for your reply.

Regards,
For MCHI-CREDAI
