Sub.: Provide Primary Health Care Centers in the areas comes under Mira-Bhayandar Jurisdiction.

Dear

Heartiest Congratulations on becoming Municipal Commissioner for Mira Bhayandea Municipal Corporation!

Maharashtra Chamber of Housing Industry (MCHI-CREDAI), formed in 1982, is the most prominent and the only recognized body of Real Estate Developers in Mumbai and Mumbai Metropolitan Region. MCHI-CREDAI brings together members dealing in Real Estate Development on one common platform to address various issues facing the Industry. It has a strong Membership of over 1800 leading Developers in Mumbai and has expanded across Mumbai Metropolitan Region, having its own units in Thane, Kalyan -Dombivali, Mira - Virar City, Raigad and Navi Mumbai.

I am sure there would be Public /Municipal Hospitals in the jurisdiction of your corporation. However, there would be some areas within the city where adequate arrangements for medical care may not be accessible for the economical weaker sections, and poorest of the poor at affordable prices. I believe in some areas like Shanti Nagar, Naya Nagar, Sheetal Nagar & Goddeo etc. may be some private health clinics and hospitals, which would be expensive and beyond reach of the BPL families etc.

May I request you to please have these situations seen and surveyed from your officers concerned and try to provide, the much needed facility of primary health care centers and small dispensaries, where these people can make use of these services at minimal costs.

Thanking you in anticipation for positive help for the people of your area.

Yours

(S. S. Hussain)

To,
Shri Subhash Lakhe (I.A.S.)
Municipal Commissioner,
Mira Bhayandar Municipal Corporation,

Bhayandar (W),
Mira Bhayandar.

Therefore, I would like to suggest you to examine the actual status of this situation from your officers concerned and try to provide the facility of primary health care centre in these areas, where these people can take medical treatment on affordable price which is approved by Government.
