**Sub: Issue of NOC or clearing the projects in NAINA area.**

Dear *Shri Bhatia,*

Please recall my personal discussion with you last month as well as 3-4 telephonic talks on the subject of issuing NOCs and clearances of various building permissions in JNPT surroundings as well as NAINA project areas. You have been kind enough to inform us the issue has been taken up with the Ministry of Civil Aviation and CIDCO has done all the mapping etc., which has been sent to Government of India for issuing the clarification about height restrictions etc. in NAINA zone.

This issue was also taken up by our association, Maharashtra Chamber of Housing Industry (MCHI). During the meeting with the Hon'ble Chief Minister on 09<sup>th</sup> of May this year, it was also informed by your officials that Navi Mumbai work has been completed and in a month or so, the issue will be cleared. You will appreciate that about 3 months have passed and no progress in the matter is forthcoming. I had also personally talked to Shri Srivastava, Joint Secretary, Civil Aviation, Government of India. He has informed that the things are under process and the notification/clarification would be issued shortly. Only yesterday he has informed me that the matter is under active consideration and the same will be cleared within a week or so. This is being told to us for almost two months now.

Please take it up with the Ministry as well as the Airport Authority of India, because many development projects are held up in your jurisdiction, where your intervention and orders as special planning authority are required/solicited.

Please do the needful and oblige.

*Best personal regards,*

Yours

*Sincerely*
