Government of India on 06th June 2013.

Dear Ms. Valsa R. Singh

It is with a great sense of happiness and gratitude that we are writing this letter to you. With the efforts of the State Government, particularly as Secretary, Ministry of Environment, Government of Maharashtra and all the other concerned in the respective departments of Government, the Office Memorandum of 07th February 2012 has now been modified by Government of India and the same has been issued for information and action at respective levels.

We, at MCHI-CREDAI, express our indebtedness and congratulate you. We highly appreciate the efforts taken by your goodself in this respect to present the case to the Government of India. This is really appreciating that our stand has been vindicated and they have realized and acknowledged the role of the State Government and the respective Local Bodies and the Competent, Special Planning authorities. The Government of India need not take the trouble of creating a Special Planning Authority there!

This is just to thank you and appreciate the stand taken up by you.

With best regards,

Yours Sincerely,

S. S. Hussain, I.A.S. (Retd.)
