Sub: Requirement of Project wise "Index-II"

Dear Members,

**Greetings from MCHI-CREDAI**

Government of Maharashtra recently hiked the rates of Ready Reckoner which tremendously affects negatively in development of Real Estate Industry and public in general at large.

With reference to the above subject, we request all our members to forward "**Index-II**" about their projects, where Ready Reckoner Rates of flats in 2014 are more than the agreement values of 2013 (Preferably for last quarter). Please send the required information on priority basis.

We need specific cases/examples for taking up this important issue strongly with Shri S. Chokalingam (I.A.S.) Inspector General for Stamps & Registration, Government of Maharashtra, Pune.

Please send the required details on [secretariat@mchi.net](mailto:secretariat@mchi.net)

Thanking you,

Yours truly,  
For MCHI-CREDAI
