

Ref. No. MCHI/CEO/13-14/025

July 4, 2013

To,
All Members of MCHI-CREDAI & MCHI-CREDAI Units

Dear Member,

Please refer to our earlier email bearing No. MCHI/CEO/13-14/014 dtd. 21st June 2013. You may be aware that the 2nd Managing Committee meeting was held on the 2nd July 2013 under the President-ship of Shri Vimal Shah. Detailed presentations and discussions were held about task allotted and the work done so far by the respective Task Owners. You will appreciate that the few aspects of forming the team are yet to be done and on some tasks it was reported that the work has started, consultants are under appointment, etc. Youth Wing and two other members are to be finalised and some other issues are being followed up. Some of the road maps are yet to be decided and presented. The Hon'ble President had very clearly, once again, reiterated his vision and mentioned that time schedule is to be maintained to reach the goal.

It is requested that before the 3rd meeting, likely to be held on 06th August 2013, each Task Owner has to finalise their team and hence we appeal that in case you have not shown your intent to join any task, please do so within the next 7 days. This will help in the formation of the team and finalise the subjects/Tasks.

Thanking you,

Yours Sincerely,
For MCHI-CREDAI
