Dear Friends,

In our meeting dated 11th October 2011, it was decided to give impetus towards collective powers of material sourcing and for the same under the stewardship of Shri Mukesh Patel you are requested to work out how we can cut costs through collective purchase or look into an option of consolidated buying on our own.

I request you all to meet and inform the Managing Committee Members in the next meeting on 08th November, 2011 the next steps.

Thanking you,

Yours truly,
