This initiative has been supported and acknowledged by Hon'ble Health Minister of state Shri Rajesh Tope (Letter attached for Reference).

With 25 Dispensary Mobile Vans currently running, we will be scaling up to 200 Mobile Dispensary in Mumbai and MMR very soon.

With the support of Ward Officers from G South, G North, F North, T & S Wards in Mumbai jurisdiction, so far, the Mobile Dispensary Vans have treated 22529 patients who had fever, cold, cough, body ache & other stomach related problems. We have referred nearly 711 suspected high-risk patients to the concerned MCGM MOH Staff/Health Authorities.

In order to make this initiative more meaningful and to come to logical end, we propose to start 100 COVID 19 testing for the highly suspected patients with the support of ICMR approved diagnostic centers.

Please find attached, the MIS report of treated & high risk suspected patients for your kind reference.
