Sub: About to take monthly Review Meeting

Dear

Please recollect our last meeting held with you in your chamber at SRA office. In this meeting we discussed some important issues faced by Developers while undertaking SRA projects.

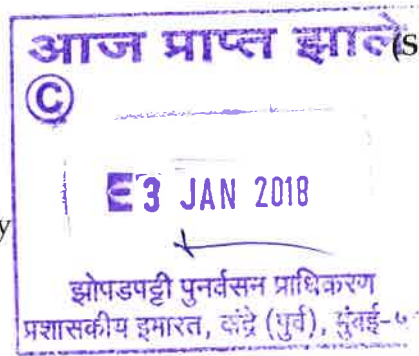

In context to that you suggested to take monthly review meeting (once on a 3rd Saturday) to discuss and expedite all the issues with developers and architect etc. However, till date we have not received any meeting notice for the said meeting. You may please also send the minutes of the last meeting.

I would like to once again remind to please send the meeting notice for the next meeting with reference to above subject. So our developer's members can participate and discuss the issue personally with your team.

Waiting for your favourable reply.

Yours

To,
