6.	Anjuman E Shiate Ali & Anr. vs. Gulmohar Area Societies Welfare Group & Ors.	Supreme Court of India Civil Appeal Nos. 6216-6217 Of 2019 Dated 17.04.2020	•	The Hon'ble Supreme Court upholding the order passed by the Hon'ble Bombay High Court and refuted the claim of the Appellants that the Appellants are entitled to make constructions on plots that are shown as open spaces / gardens in the approved layout after making constructions in all the plots, except the plots shown as open spaces / gardens based on development plan prepared by MHADA. The Hon'ble Court further refuted the contention of the Appellants that the approved layout was of the year of 1967 and was prepared as a temporary measure and was of the

opinion that there in concept of temporary layout in the Scheme of the MMC Act and Regulations as at the relevant time when the layout was approved, MMC Act, 1888 (Bombay Act No.3 of 1888) was in force. Statutory approvals were required for the layout to divide the land into complete plots, as per Section 302 and 302-A of the said Act and as such, the open spaces, which were left towards open space and garden in the approved layout were in conformity with the Regulation No. 39 of 1967 DCR and Sections 302 and 302A of MMC Act. • It was further observed that merely because in the development plan prepared at a later stage, in the area shown for residential purpose, authorities have not indicated the open spaces/garden, which were already left in the layout approved in 1967 then in such scenario, the Appellants cannot claim the benefit of making constructions in the plots which were left towards open space/garden. • The Hon'ble Supreme Court dismissed the Civil Appeal stating that, "It is not open to claim for construction in the plots which are reserved for open spaces/garden spaces also. It is fairly well settled that in an approved layout, the open spaces which are left, are to be continued in that manner alone and no construction can be permitted in such open spaces. The Development Plan which was submitted in the
be permitted in such open spaces. The Development Plan which was submitted in the year 1999, as per the 1991 DCR, will not divest the utility of certain plots which are reserved for open spaces in the approved layout. The appellants cannot plead that such
a layout was only temporary and as a stop gap arrangement, the said two plots were shown as open spaces/garden and now they be permitted to use for construction."

6.	Rural Fairprice Wholesale Limited & Anr. vs. IDBI Trusteeship Services Limited & Ors.	Bombay High Court Interim Application No. 1 of 2020 in Commercial Suit No. (L) 307 of 2020 Dated 30.03.2020	•	The Hon'ble High Court granted a temporary injunction to the Plaintiffs on the sale notices issued by the Defendant No. 1 in its capacity as a debenture trustee for sale of shares pledged by the Plaintiffs due to Plaintiff's inability to maintain the minimum-security cover stipulated in the Debenture Trust Deeds. The Hon'ble Court granted temporary injunction upon considering that when the Debenture Trust Deed was executed between the parties, market value of the shares were Rs 350 per share and only because of unprecedented outbreak of

				COVID-19 pandemic, share market had collapsed and the per share value had come below Rs 100.
7.	Anant Raj Limited vs. Yes Bank Limited	Delhi High Court Writ Petition (c) Urgent No. 5/2020 Dated 06.04.2020	•	The Delhi High Court held that the advisory issued by Reserve Bank of India on moratorium on loans in the wake of COVID-19 pandemic is applicable even to loans which were on default as on March 1, 2020. The Hon'ble Court observed that if the Regulatory Package is applicable only to Standard Asset accounts, there was no necessity for the RBI to refer to Classification of an account as a Non-Performing Asset (NPA) in its Regulatory Package and RBI could have only referred to the change of classification as a SMA. The restriction on change in classification as mentioned in the Regulatory Package shows that RBI has stipulated that the account which has been classified as SMA-2 cannot further be classified as a non-performing asset in case the installment is not paid during the moratorium period i.e. between 01.03.2020 and 31.05.2020 and status quo qua the classification as SMA-2 shall have to be maintained. The Hon'ble Court was of the <i>prima facie</i> view that the classification of the account of the petitioner as an NPA on 31.03.2020 could not have been done by the respondent. Accordingly, status quo ante is restored qua the classification of the account of petitioner and the account classification as it stood on 01.03.2020 shall stand restored. The Hon'ble Court also clarified that interest and penal charges will continue to accrue and that the loan classification will change to NPA if the borrower fails to clear the dues after the moratorium. The effect of the same would be that for a period of three months there will be a moratorium from payment of that installment. However, stipulated interest and penal charges shall continue to accrue on the outstanding payment even during the moratorium period. If post the moratorium period borrower fails to pay the said installment, classification would then automatically change as per the IRAC guidelines.
8.	Ideal Toll & Infrastructure Pvt. Ltd., Mumbai and Anr. vs. ICICI Home Finance Co. Ltd., Mumbai & Anr.	Bombay High Court Commercial Suit No.Ld-Vc-7 Of 2020 along with Interim Application Ld-Vc-7(Ia) Of 2020 Dated 07.04.2020	•	The Hon'ble Court was of the opinion that RBI's Press Release dated 27th March 2020 allowing a moratorium of three months on payment of installments in respect of all term loans outstanding as on 1st March 2020 and the repayment schedule of subsequent due dates was permitted to be shifted by three months would only apply to the payment of all installments falling due between March 1, 2020 and not those installments which were due prior thereto.

9.	Mrs. Anuya Jayant Mhaiskar vs. ICICI Home Finance Co. Ltd., Mumbai & Anr.	Bombay High Court Commercial Suit No.Ld-Vc-8 Of 2020 along with Interim Application Ld-Vc-8(Ia) Of 2020 Dated 08.04.2020	•	The Hon'ble Court held that the amount which was admittedly due to be paid by the Plaintiff to the Defendant No. 1 as of January 2020 would not be covered by the moratorium. The Hon'ble Court further added that in order to meet the ends of justice, the rights of the Plaintiff were entitled to be protected. Therefore, the Hon'ble Court stayed any further selling of shares pledged by the plaintiff, along with a direction to facilitate payment of the amount which was due in January 2020, in three instilments. The Hon'ble Court extended the protection offered by RBI to the Plaintiff as the moratorium covered amounts pertaining to March, 2020 under the second term loan availed by the Plaintiff from the Defendant No. 1. The Hon'ble Court directed that the Defendant shall not sell further shares pledged by the Plaintiff during the three-month moratorium contemplated by the RBI, subject to payment of amount due after March 1 as per the rescheduled timeline. The Hon'ble Court has also clarified that in the event of any default in payment of any of the amounts which became due in January, the Defendant shall be at liberty to sell the pledged shares in the second term loan to the extent required to recover the balance due as on the date of default. The Hon'ble restrained ICICI defendants from further selling shares of MEP Infrastructure Developers Ltd. offered as collateral against a term loan by the Plaintiff pursuant to paragraph 5 of the RBI's Press Release dated 27th March 2020 allowing permitted to allow a moratorium of three months on payment of installments in respect of all term loans outstanding as on 1st March 2020 and the repayment schedule of subsequent due dates was permitted to be shifted by three months. The Hon'ble Court directed the parties to reschedule the payments under the term loan due to be paid by the Plaintiff to the Defendant No. 1. The Hon'ble Court further directed that in the event the Plaintiff fails to comply with the rescheduled installments, the injunction granted to the Plaintiff s
			•	The Hon'ble Court further directed that in the event the Plaintiff fails to comply with the rescheduled installments, the injunction granted to the Plaintiff shall stand vacated 72 hours after any default and the Defendant No.1 will be entitled to enforce its security without further reference to court.
10.	Transcon Skycity & Ors. vs ICICI Bank & Ors.	Bombay High Court Writ Petition LD-VC No. 28 of 2020 Dated 11.04.2020	•	In the present case, the Petitoners had defaulted on two payments due on January 15, 2020 and February 15, 2020 and it was submitted before the Hon'ble Court that as per the relevant RBI circulars and notifications, if there was a default and the account was not regularised within 90 days of the date of default then the

			•	borrower's account was classified as an NPA. However, due to the present exigencies arising out of the COVID-19 lockdown, the RBI issued a circular and a press note dated 27 th March 2020 stating that that there would be a three-month moratorium in regard to the repayments and classifications as NPAs, starting March 1. In light of the above circular and press note of RBI, the Hon'ble Court granted ad-interim relief to the Petitioners considering the interests of both sides and prima facie ordered that the period of lockdown will be excluded while calculating the 90-day period for declaration of an account as a non-performing
			•	asset. The Hon'ble Court also clarified that "To be abundantly clear about these provisions: this order is therefore not a backward extension of the moratorium to January 2020. It is predicated on, and only on, the current lockdown period which makes normal functioning impossible. The moratorium period of 1st March 2020 to 31st May 2020 does not per se give the Petitioners any additional benefits in regard to the prior defaults, i.e. those that occurred before 1st March 2020. Thus, the relief to the Petitioners is co-terminus with the lockdown period, not the declared end of the moratorium."
11.	Indiabulls Commercial Credit Ltd. vs. SIDBI & Anr.	Delhi High Court Writ Petition (C) 2955/2020 Dated 09.04.2020	•	The Respondent No. 1 had disbursed a sum of Rs. 575 crores to the Petitioner pursuant to a loan agreement for an amount not exceeding Rs 750 crores. The loan instalment of Rs 31,94,79,453 for the month of March was duly paid by the Petitioner on March 9, 2020. Subsequently, the RBI issued a circular and a press note dated 27th March 2020 stating that that there would be a three-month moratorium in regard to the repayments and classifications as NPAs, starting March 1. The Petitioner in the present case had the grievance that in spite of the Circular issued by RBI, the Defendant No. 1 raised the demand towards the instalment payable in April and that the Defendant No. 1 denied the request of the Petitioner for grant of moratorium for a period of three months on the ground that it was informed that clarifications from RBI as to whether the circular was applicable to NBFCs was awaited. The Petitioner however paid the instalment due in April. The Petitioner prayed before the Hon'ble Court that till a further clarification is issued by RBI, it should not be declared as a defaulter by the Respondent No. 1 for instalments due in the subsequent months. In light of the above, the Hon'ble Court ordered that,

12.	Shakuntala	Delhi High Court	•	"the Respondent No.1 will not raise any further demand on the Petitioner towards the due instalments against the Petitioner till it obtains a clarification from the Respondent No.2 (RBI). In case the Respondent No.1 receives a clarification from the Respondent No.2 that the circular dated 27.03.2020 is not applicable to the Petitioner and therefore makes a demand towards further instalments." The Petitioners moved the Hon'ble Court seeking a direction to the Respondent
	educational & Welfare Society vs. Punjab and Sind Bank	Writ Petition (C) No. 2959/2020 Dated 13.04.2020	•	No. 1 to not declare its pending loan accounts as a Non-Performing Assets (NPA) The Petitioner, a charitable society engaged in the business of technical and higher education, had availed six term loans from the Bank to set up the educational institutions. The Petitioner submitted that in order to ease the financial crises being faced by borrowers, RBI vide circular dated 27th March, 2020 has provided a moratorium of three months in respect of all term loans as outstanding on March 1, 2020. It was further submitted that since the institutes are run by the Petitioners in the State of Uttar Pradesh and the State Government had issued a specific directive prohibiting it from coercing the students to pay the due fees, the Petitioners were not in a position to repay the installments as payable in March, 2020. The Petitioner gave an assurance to the Hon'ble Court that it would pay the installments within a week from the date of withdrawal of the State Government's directive prohibiting the Petitioner from collecting fees from the students. After hearing the submissions, the Hon'ble Court was of the opinion that a prima facie case had been made out for restraining the Bank from declaring the Petitioner's accounts as NPA, when the countrywide lockdown was still continuing. The Hon'ble Court observed that "Any classification of the petitioner's accounts as NPA would certainly amount to altering the position as existing on 01.03.2020 and, therefore, grave and irreparable loss will be caused to the petitioner, in case, its accounts are declared as NPA, only on account of its failure to pay the installments, which were admittedly payable on or before 31.03.2020."
			•	In light of the Hon'ble Court restrained the Respondents from classifying the Petitioner No. 1 as NPA till the next date of hearing.
13.	Integr8 Fuels India Pvt. Ltd. vs. Wilchief	Bombay High Court Commercial Admiralty Suit (Lodging) No.10 Of 2020	•	The Hon'ble Court in the present case allowed the release of an arrested offshore supply vessel on the basis that parties have amicably settled their dispute and the Plaintiff confirmed receipt of funds by way of RTGS as per the terms of the Consent Minutes entered into by the parties to the present Suit and directed the

As per the terms of the contract between the parties, sellers having its head office at South Korea were to supply certain steel products, the shipments of which were to be dispatched from South Korea, to the Petitioners at Mumbai The Petitioner approached the Hon'ble Court under section 9 of the Arbitration and Conciliation Act contending that due to the nationwide lockdown, it was impossible for the Petitioner to render the performance of the contract and relied upon section 56 of the Indian Contract Act, 1872 for the same. The Hon'ble Court observed that the Letters of Credit were an independent transaction with the Respondent No. 3 i.e. the Bank and the Respondent No. 3 was not concerned with underlying disputes between the Petitioners and the sellers. It was further observed that the Force Majeure clause in the present contracts was applicable only to the seller and could not come to the aid of the Petitioners who were the buyers.

Bombay High Court Public Interest Litigation (ST) No. 5443 of 2020 Dated 15.04.2020	•	The Hon'ble Court directed the Maharashtra State Government to look into the issue of the inter-state migration of the workers and labourers after consulting with the Central Government and also suggested that if the workers and labourers are allowed to travel then in that case all the necessary precautions must taken by way of conducting necessary medical tests and examinations in order to prevent the spread of virus.

17.	Sopan Ramesh Lanjekar vs. State of Maharashtra	Bombay High Court	•	The Hon'ble Court whilst not entertaining the Bail Application filed by the Applicant on the ground of no urgency being established stated that it will not entertain an application for bail unless extremely urgent situation for entertaining regular bail application is pointed out.

Bail Application No. 134 of 2020 Dated 03.04.2020	•	The Hon'ble Court stated that mere fact of the accused undergoing either pre-trial or post-trial detentions does not warrant entertainment of the regular bail application on the occasion of Lockdown declared by the State of Maharashtra. The Hon'ble Court was of the opinion that in view of the lockdown, so far as Mumbai is concerned, it is reported that several areas are also sealed and even if a prisoner is released on bail, it may not be possible for him to reach to his destination without risking his life due to outbreak of COVID-19.
18.	Choe Jae Won vs. The Principal Secretary to the Government (FAC) Government of Tamilnadu & Ors. And Choi Yong Suk vs. The Principal Secretary to the Government (FAC) Government of Tamilnadu & Ors.	Madras High Court Writ Petition No. 7435 of 2020 and Writ Petition No. 7437 of 2020 Dated 09.04.2020	•	The Hon'ble Court dismissed Writ Petitions filed by the Petitioners who have been in custody allegedly for not remitting GST collections amounting to Rs. 40 crores which they had collected from the customers to the Government and sought to release them from the Special Camp at Tiruchirapalli where they have been confined and be allowed to stay at their residence, due to the prevailing pandemic. The Petitioners asserted that the Authorities in camps did not take appropriate measure to sanitize the camp and the social distancing guidelines were not been followed amid the outbreak of the pandemic. The Hon'ble Court observed that allowing the present Writ Petition would open the floodgates of litigation from the other detainees and would thereby increase the threat of spreading the virus by shifting the detainees from one place to another. The Hon'ble Court whilst dismissing the Writ Petitions directed the learned Additional Chief Metropolitan Magistrate (Economic Offences-I), Egmore, Chennai to take up the case in C.C.No.1 of 2020 filed against the Petitioners which is pending for trial, after normalcy is restored post COVID-19 lockdown, and proceed with the same on a day-to-day basis, without adjourning it beyond ten working days at any point of time.

However, the Respondent No. 1 refused to invoke the force majeure clause under the contract in order to get the balance activities completed through alternative resources at the risk and cost of the Petitioner. It was the case of the Respondents before the Hon'ble Court that the only ground on which invocation of a bank guarantee could be stayed was in the circumstances of fraud which did not exist in the present case. It also alleged that the Petitioner is taking the undue advantage of the pandemic and trying to reap benefits from the same. The Hon'ble Court whilst refusing the contentions and allegations made by the Respondents observed that the Courts are empowered to stay the encashment of the bank guarantee on the ground of "special equities" to prevent the irretrievable loss to the Petitioner. 	"Such a lockdown is unprecedented, and was incapable of having been predicted either by the respondent or by the petitioner. Mr. Sethi has submitted, categorically, that, till the date of clamping of the lockdown, on 22nd March, 2020, his client was in the process of proceeding with the project, and that, had the lockdown not be imposed, the project might have been completed by 31st March, 2020. Prima facie, in my view, special equities do exist, as would justify grant of the prayer, of the petitioner, to injunct the respondent from invoking the bank guarantees of the petitioner, forming subject matter of these proceedings, till the expiry of a period of one week from 3rd May, 2020, till which date the lockdown has been imposed."
