Dear All Members,

As you are aware that we had a meeting with Hon'ble Shri Radhakrishna Vikhe-Patil, Minister for Agricultural and Marketing Department, Government of Maharashtra on July 17, 2013 in MCHI-CREDAI Office along with his subordinate officers and APMC Officials.

The Hon'ble Minister stated that State Govt. wants to start subsidised Vegetable Selling Centers in various areas of MMR Region. In which the department required cooperation of MCHI-CREDAI Members. However, for this scheme agricultural product and marketing Committee (APMC) will support the concerned to activate these centers.

Therefore, with reference to an appeal by Hon'ble Minister to all members of MCHI-CREDAI to activate and subsidise Vegetable Selling Centers in their construction premises, please follow the procedures/steps adopted by APMC. In continuation if any member wants to start the same then they can contact the concerned Divisional APMC Officers.

**The flow chart of the activity/action is enclosed.**

Regards,
