Subject :- Revalidation of Development Permission issued as per the provision of Regulation 56(3)(c), 57(4)(c) and the provision of Regulation 9, Table-4 of DCR 1991.

Sir,

This is to inform you that, in this regards, a report has been submitted to Hon'ble M.C. & Hon'ble M.C. vide No.MCB/5445 dated 6.6.2015 has passed order to cut down the procedures of revalidation of development permission and the revalidation of the above mentioned development permission should be done within the Building Proposal Section rather than sending the file between DP & BP Section. Accordingly, the revalidation of the above development permission will be carried out at concerned Dy.Ch.Eng.(B.P.)'s office without sending the file to D.P.Section.

This is for your information and necessary action and to inform to the concerned Architects & Developers.

Yours faithfully,

01/07/15
**Chief Engineer
(Development Plan) I/c**
