To,
The Exhibition Committee Members of MCHI-CREDAI.

Dear Friends,

Invitation: Leaders Study Retreat, New York City, September 23-26, 2013.

The World's most happening city will be site of one of the most profound learning experiences for MCHI-CREDAI members.

Caught up as we are in routine development activities, chasing myriad permissions, NOCs, and approvals, we seldom get a chance to look at the larger picture of URBAN DEVELOPMENT.

How it impacts our projects, how it affects the urban scenario, the infrastructure, and, of course, the lives of the people who come to live in our developments.

Here's a unique opportunity to not just learn, but expand your vision, to obtain priceless insights from global thought leaders and practitioners in Urban Development. In the most happening city of the world: NEW YORK. Over 4 days, from **September 23-26**, you will have a chance to meet, interact and undertake site visits to landmark projects. There's a saying, "Change your mind, change your life". This 'Leaders Study Retreat' will certainly be a mind-shaping experience.

The deadline for sending your application is 5th August, 2013. We have just 12 days in hand; decide today, and become a privileged Member of a power-delegation from MCHI-CREDAI. I, of course will be very much there and Look forward to meeting a lot of you In New York City.

This program has been initiated by the Youth Wing, as a part of their charter to undertake Exhibitions, Conferences, Seminars, Study Tours.

With Best Wishes,
For **MCHI-CREDAI**
