Subject: Invitation to Speak at "Implementation of Maharashtra Housing Regulatory Authority" conference : 27th March 2014.

Hello Sir,

We along with NAREDCO invite you to present as our Senior Panelist Speaker on our upcoming conference Implementation of Maharashtra Housing Regulatory Authority scheduled for 27th March 2014 at the Y B Chavan Centre in Mumbai. Mr Sunil Mantri has personally asked us to invite you for the conference & we would be highly obliged if you grant us your confirmation to present at the conference. The timing is 2pm to 6pm.

A brief about us, we at Blackarrow Conferences have been organising topic driven conferences pertaining to the Real Estate Industry for the last 4 years. We were the ONLY company to organise PAN India conferences on the "Draft Real Estate Bill" when it was introduced. In fact, the Govt (MHUPA) had taken delegate recommendations/feedbacks from us when the national bill was being tabled and formulated. (learn more about us at www.blackarrowconferences.com).

About NAREDCO: NAREDCO is the National Apex Body for the Housing and the Real Estate Industry. It has been working in partnership with Industry and Government through advisory and consultative processes towards creating an environment which is conducive for the growth of the sector. The Council has been set up under the aegis of Ministry of Housing & Urban Poverty Alleviation, Government of India, and Hon'ble Union Minister, Dr Girija Vyas, is its Chief Patron. Learn more at <http://www.naredco.in/>.

With the recent presidential consent to the MHA Act, the Housing Dept (govt of Maharashtra) is going to start formulating the regulations for the Housing Regulatory Authority (HRA). In view of this, the Housing Dept (Govt of Maharashtra) has suggested us to organise a conference to discuss the upcoming Housing Regulatory Authority, wherein we can take the feedback/suggestions from the real estate community and then present it to the Housing Dept. Hence we are organising this conference along with NAREDCO and intend to gather the support of all leading Real Estate bodies to come together on a joint platform and voice our suggestions/concerns. Suggestions from all the real estate community shall be tabled during the conference and submitted to the Housing Dept to help them formulate the regulations for the regulatory authority.

To help us do this, we invite you to join this conference as a speaker & we request MCHI-CREDAI to join the conference as a supporting partner. We hope that you will quickly oblige us with this confirmation. The Principal Secy of the Housing Dept (Govt of Maharashtra) dept shall be attending this conference along with other dignitaries.
