Dear

As you are aware, the Government of Maharashtra is promoting the concept of Ease of Doing Business in various departments to expedite the work processes at the earliest in routine work. In context to that Municipal Corporation of Greater Mumbai and Thane Municipal Corporation has already published the booklet, containing the entire process map for various works controlled by their respective organizations.

In my personal discussion held with Shri Manu Kumar Srivastava, Principal Secretary of Revenue Department, I had suggested him to expedite the same concept in the Revenue Department also. In support to that under the leadership of our President-Elect Shri Nayan Shah and a Committee Member Shri Shailesh Puranik & Team doing extensively hard work, to prepare the draft roadmap to initiate the Ease of Doing Business concept in Revenue Department. As an Ex-Principal Secretary of Revenue Department, I feel confident that this will surely boost the advance working process in the Government Department of Revenue, a very vital component of Public Administration.

Therefore, with reference to above subject our Members would like to meet you personally to discuss Draft EODB Manual for Revenue and also Auto Revenue as well as some important matters and issues, which are experienced and faced in the Revenue Department at the ground level for Real Estate developments.

Yours

  
(S. S. Hussain)
