

4. Subsequently, in the 42nd meeting held on 18th August 2020 by Expert Committee of ESZ, the State of Maharashtra, in this regards the APCCF (Additional Principal Chief Conservator of Forests) informed that the revised ESZ proposal of Thane Creek Flamingo Sanctuary has been submitted to State Government for their approval in May 2020 and the same would be submitted to the Ministry within 15 days of the meeting. (copy enclosed as Annexure - B)

In view of above we hereby request Government of Maharashtra to expedite the submission of proposal to Ministry as proposed by ESZ Expert Committee for further issuing of final notification for the subject matter at the earliest.

Due to current situation of Corona pandemic, many developers are in huge hardships and many have RERA deadlines to complete their respective projects. Also few cases didn't have this Flamingo NOC condition in ongoing Environmental Clearance or in amended MoEF Environmental Clearance.

Thanking you,
