Sub: Urgent request to start online hearing of cases for Environment NOC

Respected Madam,

Trust you are doing Well

Madam, as you are aware that recently the validity of Current appraisal committee has been extended. Please find herewith our request which required your utmost attention due to which many of our members are project are stuck.

- 1) To Start the Online hearing of cases of both Committees (SEIAA/SEAC) which was in practice in the month of September.
- 2) To upload the Minutes of Meeting of last hearing which is pending for more than 45 days.

Owing to the lockdown real estate industry has been facing the down turn and real estate activities had come to a grinding halt. In spite of the unlock is in place development of projects is still not commenced as our members are facing various issues with the environment department.

Therefore, we earnestly look into above mentioned request and also seek your appointment either in person (preferably) or via any digital mode to discuss few other important critical issues in detail and get some solution.

As further delay would impact on already stressed Real Estate. Hence, we seek your appointment at the earliest possible and seek your support.

Looking forward to hearing from you.

Thanking you,

Yours Faithfully,  
For CREDAI-MCHI
