**Sub.:** Meetings of NOC Review Working Group 2017 held on 23rd March 2017 at AAI CHQ

Dear Sir,

In our last meeting held on 27<sup>th</sup> October 2017, which was presided by you, we had requested for setting up a committee comprising of technical experts from AAI and the real estate industry to look into various issues pertaining to issuance of No Objection Certificate (NOC) for height clearances with respect to buildings around the airport. We would like to thank you for considering our request and for constitution of committee '**NOC Review Working Group 2017**' consisting of technical experts from AAI as well as CREDAI and NAREDCO in this regard.

On our behalf, technical experts comprising of Mr. Kunal Chheda (Member-Representative : CREDAI-MCHI) along with Mr. T Mohanchandran & Capt. Tushar Dalal of M/s Aiodynamiks (Advisor : CREDAI-MCHI) have participated in two such meetings of the **NOC Review Working Group 2017** that have been held on 20<sup>th</sup> February 2017 and 23<sup>rd</sup> March 2017. During these meetings, various issues/concerns relating to the issuance of NOC have been put forth by us.

We strongly feel that the long term functioning of this committee like an interactive platform will help in resolving lot of co-ordination & communication gaps, at the same time bring about the desired level of transparency & streamline the process of issuance of NOC.

A follow up meeting is crucial wherein we solicit your presence and request that it be held at the earliest.

We would like to thank you once again for giving us this opportunity that will help shape the pathway to a more sustainable process.

Yours Sincerely,  
**For CREDAI- MCHI**
