Sub: Streamlining Building Plan Approval & Environmental Clearance Integration of Environmental Clearance (EC) with building sanctioning procedure.

Dear

Please refer to my earlier DO Letters bearing No. MCHI/CEO/16-17/151 dtd. 16th March 2017 & MCHI/CEO/16-17/131 dtd. 28th February 2017, on the subject matter.

Reportedly, all the four Environmental Clearance committees have been appointed and placed. But their regular office routine works, with respect to the regular meetings to expedite the pending projects' proposals to give approval/permissions are not being taken up as they are not functioning as per the norms. Meetings are not held.

Therefore, I would like to request you to please take the matter in holding regular meetings by the Environmental Committees to clear projects.

Yours

(S. S. Hussain)
