Dear *SLC Mitraji,*

Please refer my earlier DO letters on the above subject and my telephonic conversation with you before Diwali 2017.

Our CREDAI-MCHI Members have already taken adequate initiatives with the reference to the MoU made with Government of Maharashtra for 5.69 Lakhs Affordable Homes during "Make in India" Programme. But currently the developers community are facing various problems especially from the office of the Western Naval High Commands with respect to the various permissions and NOCs for their submitted projects.

In view of the above, I would like to request you to kindly inform us about the matter. I hope some positive steps must have been taken up by now, as assured by you.

I request you to look into this matter and help us by resolving this issue at the earliest, please.

*Best regards*Yours *Sincerely*

(S. S. Hussain)
