

FROM PRESIDENT'S DESK

Ref. No.: MCHI/PRES/14-15/007

June 24, 2014

To,
Shri Boman Irani
Vice President, MCHI-CREDAI &
Task Owner, Youth Wing Committee.

Dearest Boman,

It gives me great pride in honoring and appreciating your hard work in initiating and organizing the recently concluded Youth Wing 'Study Tour' to New Delhi.

The remarkable turnout from our Youth Wing members also goes to show how much you are appreciated and respected for your efforts and initiatives. We believe such tours must be organized more often as they provide a great platform for the future generation of our industry to understand different markets, their needs for suitable projects and workings of a larger organization.

It also gives them a chance to understand and learn from both the success and failures of these organizations and markets, which in turn will help them grow positively and will benefit our industry as a whole tremendously.

We look forward to your continuous support and enthusiasm in the future as well. It gives me immense pleasure in asking you to lead the way.

Best Wishes,

Vimal Shah
President
