

Ref. No. MCHI/CEO/13-14/197

September 17, 2013

**To,
All Members of MCHI-CREDAI & MCHI-CREDAI Units**

Dear Member,

You would be pleased to know that we had a meeting along with Mr. Jayesh Shah, our Task Owner, for Stamp Duty & Registration (Department of Revenue & Forest) with Shri S. Chokalingam, Inspector General of Registration, recently.

Most of our important issues and problems, faced while registering the documents and paying stamp duties, were put up and discussed during the said meeting. The Inspector General has stated that, if specific instances and examples about adjudication as well as refusal of acceptance of documents, should be brought to his notice, so that he can issue directions and clarifications to remove grievances in this connection.

Under these circumstances, I am requesting all the members as well as youth wing members to revert to us with specific examples, instances and data of the experiences and difficulties faced on the above issues within a period of 7 (seven) days.

I would also like to request you to be part of our positive drive in MCHI with your responses which would go in a long way if you "help us to help you".

Thanking you,

Yours Sincerely
For MCHI-CREDAI
