Sir, as you know the Real Estate Sector is a significant contributor to the country's GDP, and, after agriculture, is one of the most labour-intensive industries, providing direct employment to millions and impacting more than 250 other ancillary industries, including cement, steel, wood, paints, chemicals and more.

Given the importance of the industry and the fact that it has the potential to be a force multiplier in the shaping of the economic and social development of India, it will be most appropriate and opportune, if you would kindly accept our invitation, to address the member-developers of MCHI-CREDAI in Mumbai Metropolitan Region.

We are fully aware and appreciate, Sir, your schedule is very hectic and that there will be demands on your time from all over India. However, we trust that given the significance that the Mumbai Metropolitan Region plays in India, we shall be honored with the privilege of having your well considered views and vision on Real Estate Development and the role this financial capital could play if it is to become a world class financial centre.

We hope you will accept our invitation and grace this special occasion and we look forward to your visionary speech.

For MCHI-CREDAI
