Dear Ankur,

First and foremost, let us congratulate you for all your efforts in putting together such a wonderful and stimulating panel discussion at the AGM of MCHI held on 14th August, 2013 at Hotel Sofitel.

We must thank you for organising such a fantastic group discussion which offered a wonderful opportunity to establish networks among participants having similar interests and helped us to participate in a productive manner. We thoroughly enjoyed the panel discussion which provided us a platform not only to exchange our ideas but also a learning and interactive forum. We are very impressed with the detailed, insightful and thoughtful comments, in response to your ten questions, very aptly and significantly framed, for the experienced and the responsive panelists, which will prove most valuable in future deliberations and extensions of our work. The session was enjoyed by both the academic presenters and non-presenting attendees that we spoke to. All the feedback and positive comments received by us from our colleagues have been very encouraging to hold more such interactions in the future.

You have been wonderfully responsive to our requests and I hold you in very high esteem for your professional dedication and personal warmth and sincerely thank you for your hard, interesting work and diligent efforts.

We wish you the best and also good luck for your future endeavours.

Congratulations and thank you very much!!

Yours Sincerely,

S. S. Hussain, I.A.S. (Retd.)
