

Ref. No. MCHI/CEO/13-14/307

April 11, 2014

To,
All Members of MCHI-CREDAI & MCHI-CREDAI Units

Dear All,

In spite of several efforts from MCHI we could not succeed as even our Review Petition was rejected in Kohinoor Matter, all members are aware that Hon'ble Supreme Court has passed an Order dt. 17th December 2013 in Kohinoor Matter.

It has been learnt that the Corporation is now applying the principle of the Kohinoor Judgment to cases pertaining to development of plots of less than 1000 sq. mtrs. and/or development carried out under the provisions of DCR not covered by the Kohinoor Judgment.

MCHI-CREDAI is intending to file a Writ Petition & therefore requests its members to give necessary data, which can be taken up as examples for the projects being adversely affected by the additional/wrongful interpretation of the said Order, to strengthen our case.

MCHI assures its members that on providing their information they won't face any hardship. Your valuable information shall help us to challenge the case filed by MCHI.

Kindly do the needful at earliest.
