Sub: Request for recommendation for extension in timeline from 15th Jan 2022 to 31st January 2022 for depositing the premium.

Respected Sir,

At the outset, CREDAI-MCHI would like to express its gratitude towards your continuous support to the real estate industry and considering various suggestions made by CREDAI-MCHI positively.

UDD vide their GR dated 31st December 2021 have extended the time limit for depositing the premium from 31st Dec 2021 to 15th January 2022 for the file approved by the authority.

Sir, as you may be aware that there is a constant increase in Covid-19 cases in Mumbai and the entire state as such, because of which, many of our developer members, their staff and officers from various urban local bodies have been tested positive and they are unable to attend office. Therefore, our members are facing difficulty in depositing the premium at BP office. The same is the scenario with the banking sector where scores of employees are down with Covid-19 symptoms resulting into disruption in the entire operations. The situation is further impacted by the 50% office attendance directives by the Government in wake of Covid-19 pandemic. The banking sector has also been badly hit on the operations part due to the same reason as stated above.

CREDAI-MCHI humbly requests you to please recommend to UDD for further extending the timeline upto 31st January 2022. So that our members can deposit their respective premium with MCGM and do not miss out on this incentive.

We hope that you would positively recommend our above suggestion to UDD at the earliest.

Thanking you for continuous support.

Yours faithfully,

For CREDAI-MCHI
