To,  
Shri Subhash Desai  
Hon'ble Minister for Industries,  
Government of Maharashtra

Sub: Request for revision in provision of Support facilities in IT/ITES parks.

Ref: CREDAI-MCHI Suggestion on IT/ITeS Policy

Respected Sir,

At the onset, please accept our sincere gratitude and thank you for your continuous support real estate industry. Under your able leadership, the Industries department is growing to greater heights whereby supporting economic growth of the State of Maharashtra.

We hereby request for your kind attention wherein as per the Government of Maharashtra's IT Policy 2015, support services / facilities are being permissible to be constructed in IT Parks. For the wellbeing of the employees, Hospital/Nursing Homes up to 10 beds is permitted.

However, in the view of the current pandemic, we hereby request you to consider minor amendment which are as follows

- 1) To enhance limit of Hospital/Nursing Homes up to 50 beds and above along with critical care infrastructure.
- 2) To allow provisions for residential facilities for health care staff, supporting staff, etc.
- 3) CREDAI-MCHI has submitted suggestion on new IT/ITeS policy on 02/02/2021, you are requested to kindly finalize the same at the earliest.

Sir, as we all have witnessed the impact of Covid lockdown, wherein people suffered and they were made to run from pillar to post for making arrangement for Hospital beds. If the above suggestion is considered, any future probable epidemic impact will be reducing the load on the already overloaded public health infrastructure.

Thanking you for your continuous support.

Yours faithfully,  
For CREDAI-MCHI
