Sub: Request to process the EC application by SEAC

Respected Ma'am,

At the onset CREDAI-MCHI would like to thank you for meeting and giving us the patience hearing on 8<sup>th</sup> Feb 2022 on the suggestion discussed with you. We are confident that under your guidance EC process will undergo complete transformation in a day to come.

As we discussed in the meeting that currently while hearing the cases by SEAC, project proponent is unable to produce certain documents like CRZ NOC, tree NOC, traffic NOC etc. because of which the cases are deferred for submitting this documents.

We humble request you that the SEAC shall not withhold the application, if such documents are pending instead they should continue to recommend to SEIAA with certain conditions which can be mentioned in the minutes of meeting.

We are confident that this suggestion if implemented will lead to Ease of doing business in the department as there will be no duplication for the SEAC to go through the case once again which is already appraised by the committee.

We hope that the above suggestion will be considered positively and necessary instruction will be released in this regard.

Thanking you for your continuous support.

Yours faithfully,  
For CREDAI-MCHI
