	iv) The office of the Divisional Joint Director of Town Planning shall send its remarks to Collector from the receipt of proposal within two months or receipt of reply from the Project Proponents in respect of any requisition made by him, whichever is later. Such master layout approval will be given with the condition that project proponent will not commence work without environmental clearance. Such environmental clearance shall be submitted at the time of sanction to the building permission. Sanctioned master Plan layout along with complete set of drawings shall be endorsed to the concerned branch office of Town Planning Department, for the further permissions.	The office of the Divisional Joint Director of Town Planning shall send its remarks to Collector or the Authority, as the case may be, within two months from the receipt of proposal from the Collector or the Authority, as the case may be, or receipt of reply from the Project Proponents in respect of any requisition made by him, whichever is later. Such master layout approval will be given with the condition that project proponent will not commence work without environmental clearance. Such environmental clearance shall be submitted at the time of sanction to the building permission. Sanctioned master Plan layout along with complete set of drawings shall be endorsed to the concerned branch office of Town Planning Department, as required for the further permissions.
	v) Approval to the Master Plan :- The Collector shall grant approval to the master layout or reject the application, under Section 18 of the said Act, within one month from the receipt of reply from the Divisional Joint Director of Town Planning as mentioned in Regulation No. 14.1.1.6(iv) above.	Approval to the Master Plan :- The Collector or the Authority as the case may be, shall grant approval to the master layout or reject the application, under Section 18 or section 45 as the case may be, of the said Act, within one month from the receipt of reply from the Divisional Joint Director of Town Planning as mentioned in Regulation No. 14.1.1.6(iv) above.

	vi) Approval to the building Plan :- Detailed building permission under the master layout plan sanctioned as per Regulation No. 14.1.1.6(v) shall be granted by the Assistant Director of Town Planning /Town Planning /Town Planner of concerned Branch or by the Authority, as the case may be, with prior consultation as prescribed in proviso to Regulation 14.1.1.12 (iv), within 30 days from the receipt of the proposal from the project proponent as mentioned in (a) below.	Approval to the building Plan :- Detailed building permission under the master layout plan sanctioned as per Regulation No. 14.1.1.6(v) shall be granted by the Assistant Director of Town Planning /Town Planning /Town Planner of concerned Branch or by the Authority, as the case may be, with prior consultation as prescribed in proviso to Regulation 14.1.1.12 (iv), within 30 days from the receipt of the proposal from the project proponent as mentioned in (a) below.
	a) The Project Proponents shall apply to the concerned head of the Branch office of the Town Planning Department, for grant of building permission, along with all relevant documents and attested copy of Environment Clearance for the project from MoEF or the Authority empowered by the MoEF.	The Project Proponents shall apply to the concerned head of the Branch office of the Town Planning Department, or to the Authority, as the case may be, for grant of building permission, along with all relevant documents and attested copy of Environment Clearance for the project from MoEF or the Authority empowered by the MoEF.
	b) The Project Proponents shall submit the certificate of Architect regarding completion of plinth stating that the construction of plinth is as per the approved building Plans to the concerned branch office of the Town Planning along with approved plan. The Branch Office of the Town Planning verify the same within stipulated time period. If it is found that the construction of plinth is not as per the building permission sanctioned, the said office shall reject such plinth checking certificate. In such circumstances, the Project Proponents shall either demolish the said plinth or get the revised plan sanction according to changes. If it is found that the construction of plinth is as per the building permission sanctioned, then granting the plinth checking certificate is not necessary.	b) The Project Proponent/s shall give intimation through his Architect, in the prescribed form in Appendix. F of UDCPR to the Concern Branch office of Town Planning or to the Authority as the case may be, after completion of the work upto plinth level. This shall be certified by Architect /licensed Engineer/Supervisor with a view to ensure that the work is being carried out in accordance with the sanctioned plans. After such intimation, the construction work shall be carried out further. The branch office of the Town Planning or the Authority, as the case may be, who are empowered to grant Development Permission, shall inspect about 10% of such plinth certified cases. If it is found that the construction of plinth is not as per the building permission sanctioned, the said office shall reject such plinth checking certificate. In such circumstances, the Project Proponents shall either demolish the said plinth or get the leveled plan sanction according to changes.
6	14.1.1.7 Planning Considerations	
	i) Permissibility in respect of Zoning :- b) For the areas falling in zones, other than residential, commercial and U1 & U2 zone as per the sanctioned Regional Plan the Project Proponents shall have to pay a premium for permitting project in such zones at the rates prescribed below in Table No. 14 A :-	For the areas falling in zones, other than residential, commercial and U zone as per the sanctioned Regional Plan or Development Plan, as the case may be, the Project Proponents shall have to pay a premium for permitting project in such zones at the rates prescribed below in Table No. 14 A. This Provision only applicable to new ITP's in Development Plan Area's.

Table No. 14 A		
Sr. No.	Type of Zone	Premium Charges
1	Afforestation Zone Hill Top & Hill Slope Zone as shown as Regional Plan/Development Plan	15%
2	Public /Semi -public Zone, Industrial Zone, TH & LP	8%
3	Agriculture No Development Zone/G1 zone /Low Density Residential Zone/Buffer Zone of ESZ and other zones excepting at Sr. No. a & b above	10%

Table No. 14 A

Sr. No.	Type of Zone	Premium Charges
1	Afforestation Zone Hill Top & Hill Slope Zone as shown as Regional Plan/Development Plan	15%
2	Public /Semi -public Zone, Industrial Zone, TH & LP	8%
3	Agriculture No Development Zone/G1 zone /Low Density Residential Zone/Buffer Zone of ESZ / Mangroves /CRZ whether shown on Regional Plan/Development Plan or not and other zones excepting at Sr. No. a & b above	10%

ii) Permissible Floor Space Index (FSI) :-

b) Further, additional FSI on payment of premium as mentioned below Table No. 14B shall be permissible on payment of premium at the rate of 10% of the weighted average land rate of the said land as prescribed in Annual Statement of Rates for the relevant year, without applying the guidelines therein. Such premium shall be paid at the time building permission.

Table No. 14 B	
Area under Township	Additional built -up area on payment of premium
40 hect. and upto 200 Hectar	Up to 70% of basic permissible FSI
More than 200 hect. And upto 500 Hectar	Up to 80% of basic permissible FSI
More than 500 hect. Hectar	Up to 100% of basic permissible FSI

c) Over and above the FSI as prescribed above, an additional FSI in lieu of construction of tenements for social housing shall be permissible as prescribed in Regulation No. 14.1.1.9 without charging premium.

b) Further, **100% additional FSI on payment of premium** as mentioned below Table No. 14B shall be permissible on payment of premium at the rate of 10% of the weighted average land rate of the said land as prescribed in Annual Statement of Rates for the relevant year, without applying the guidelines therein. Such premium shall be paid at the time building permission.

Table No. 14 B	
Area under Township	Additional built -up area on payment of premium
40 hect. and upto 200 Hectar	Up to 70% of basic permissible FSI
More than 200 hect. And upto 500 Hectar	Up to 80% of basic permissible FSI
More than 500 hect. Hectar	Up to 100% of basic permissible FSI

It is proposed to permit Incentive FSI at Par with the Provisions of UDCPR -2020 for construction of Green Buildings / ECGC Buildings in the ITP's.

	d) It shall be permissible to utilize the maximum permissible built-up area as prescribed above, anywhere in the area under sanctioned Master Layout Plan. UDCPR Regulation No. 6.3 Table 6G-Note (i) - Ancillary FSI is permissible in ITP. In the result, free of FSI items in the said scheme, if any, other than that mentioned in UDCPR shall stand deleted.)																																									
	iii) Mandatory Town -Level Amenities - Area and FSI Allocations :-																																									
	e) Public Assembly Facilities :- Town Hall and/or Auditorium including Library

ii	For Mater Layout area more than 40 Ha.	To be increased proportionately with increase in Master Layout area and be proposed at one or more locations, as per requirements.													
	Note :- 1) Users as mentioned in b,c, d, e & f may be clubbed together, in Economic Activities Component, in Economic Activities Component, subject to condition that, total built-up area should not be less than the summation of minimum required for all such users, irrespective of their individual plot-area-requirements. No dedicated plot shall be insisted for Economic activities. Such activity may be allowed in the ITP area at suitable location/s and in composite building also. Economic Activities Component Users may be clubbed together with activities mentioned in c and d above, subject to condition that, total built-up area should not be less than the summation of minimum required for all such users and other use restrictions as mentioned in UDCPR. 2) However, for the additional FSI availed by paying premium, additional built up area for Economic Activities shall be provided @10%. 3) If any area as mentioned in 14.1.1.2 is excluded by the project proponent for calculation of FSI, then the mandatory Town level Amenities and 2% area to be handed over to local authority shall be calculated on the net area by deducting such excluded area from the gross plot.														
	Note :- 1) Users as mentioned in b,c, d, e & f may be clubbed together, in Economic Activities Component, subject to condition that, total built-up area should not be less than the summation of minimum required for all such users, irrespective of their individual plot area requirements.														
	g) Public Utilities :- For Master Layout area up to & inclusive of 200 Ha.														

	Note : 1) If the facility of the Cremation ground/Burial Ground is available in the village where the Township is located in such case these requirements need not be insisted subject to NOCs to respective Ggram Panchayat .	1) If the facility of the Cremation ground/Burial Ground is available in the village where the Township is located in such case these requirements need not be insisted subject to NOCs from to respective Ggram Panchayat Local Planning Authority, as the case may be.
	h) Transport and Communication :- i) The entire area of the project shall have a proper road pattern, taking into consideration the linkages with exciting roads or proposed Regional Plan / Development Plan roads, within the project and outside area as well. All such roads shall be developed by the Project Proponents as per standard prescribed by the Indian Road Congress.	i) The entire area of the project shall have a proper road pattern, taking into consideration the linkages with exciting roads or proposed Regional Plan / Development Plan roads, within the project and outside area as well. All such roads shall be developed by the Project Proponents as per standard prescribed by the Indian Road Congress.
	General Note For Amenities (a) to (h) : 1) The requirements prescribed above for items (a) to (f) are by considering FSI proposed for the project is only 1.0 If the FSI proposed is increased or decreased then the only built up area requirement shall be increased or decreased proportionately.	1) The requirements prescribed above for items (a) to (f) (e) are by considering FSI proposed for the project is only 1.0 If the FSI proposed is increased or decreased then the only built up area requirement shall be increased or decreased proportionately.
	14.1.1.7(v) - Share of Local / Planning Authority. The integration of Integrated Township Projects included in the Local / Planning Authority, an area @ 2% of gross area shall be earmarked and shall be handed over free of cost to the respective Authority for development of the City Level Facilities. For determining eligibility of ITP, the above 2% area shall be considered in area calculation. This area shall not contain area under hill slopes, and shall be accessible by major road. Base FSI of such 2% land shall be made available to the applicant on remaining land.	Regulation No. 14.1.1.7 (v) Share of Local / Planing Authority a) The integration of Integrated Township Projects included in the Local / Planning Authority, an area @ 2% of gross area after deducting area of Development Plan / Regional Plan Reservations if any (excluding D.P./ R.P. Roads / Roads Widening) shall be earmarked and shall be handed over free of cost to the respective Authority for development of the City Level Facilities. However, this provision shall not be applicable to the 2% Amenity Space which is already handed over to the Planing Authority. For determining eligibility of ITP, the above 2% area shall be considered in area calculation. This area shall not contain area under hill slopes, and shall be accessible by major road. Base FSI of such 2% land shall be made available to the Project Propent/s applicant on remaining land of the ITP area. b) If the Project Propent/s constructs the Amenity as per norms prescribed by the Authoirty and handed over the same to the Authority then he shall be entitled for Amenity Construction TDR as per Regulation No. 11.2 of UDCPR. Such TDR can be utilised within the same Local Planing Authority area or within the ITP area over and above ITP potential subject to other provisions of Regulation No. 11 of UDCPR. Also, provided that, if the land is handed over to Planning Authority and Project promonent is willing to construct the amenity in this land, than he will be eligible for the Amenity Construction TDR.

	<u>New Regulation</u> 14.1.1.7(vi) Accommodation Reservation (AR) Policy :-	Accommodation Reservation (AR) Policy :- The Development Plan reservations included in the ITP area may be developed as per the provisions of Accommodation Reservations (AR) i.e. Regulation No. 11 of UDCPR subject to following conditions :- a) Area to be handed over to the Local Planning Authority and area to be retained with the Project Proponent/s as per AR Regulations shall be an integral part of ITP and area / construction allowed to the Project Proponent/s may be developed anywhere within the ITP boundary. b) If the area of Reservations (excluding D.P. Roads/ Road Widening) is more than 51% of the area of the Master Plan Layout then such situation can be considered as hardship and a composite building may allowed by charging premium for Land component @ 20% of the average ASR rate of ITP. However if area of reservations (excluding D.P. Roads / Road Widening) is more than 70% of the area of the Master Plan Layout then such premium shall be @ 10% of the average ASR rate of ITP. c) Construction TDR generated by implementation of AR Regulations may be allowed to be utilised within the same Local Planning Authority area or within the ITP area over and above ITP potential subject to other provisions of Regulation No. 11 of UDCPR. d) Outside TDR shall not be applicable within ITP area. e) However, this provision of AR shall not be applicable for the area of Reservations which is already handed over to the Planning Authority.
7	14.1.1.8 Development Control Regulations :- For those aspects which are not covered under this regulation, prevailing provisions as prescribed in the standardised Development Control And Promotion Regulation for Regional plans in Maharashtra shall, apply mutatis-mutandis. The provision of MoEF CRZ notification amended from time to time shall also be applicable. However where in prevailing DCR of the respective authority the maximum height of building is not mentioned in such case the maximum height shall be allowed subject to provisions of Maharashtra Fire Prevention and Life safety measures Act 2006 and any restriction imposed by Chief Fire Officer.	For these aspects which are not covered under this regulation the prevailing provisions as prescribed in the sanctioned UDCPR as modified from time to time for Regional Plan or Development Plan area, as the case may be, shall apply mutatis-mutandis. The provisions of MoEF CRZ notifications amended from time to time shall also be applicable. Notwithstanding anything contained in UDCPR applicable for respective Authorities, the maximum height of building, as permitted by the Chief Fire Officer or Director, Maharashtra Fire Services, shall be allowed, subject to provisions of Maharashtra Fire Prevention and Life Safety Measures Act, 2006 and any restriction imposed by Chief Fire Officer.

8	14.1.1.10 Liability of Project Proponents :- ii) The Regional Plan Roads & Reservations which are included in ITP shall be Developed by project proponent and after development made available to the general public, Such reservations may be allowed to shift within 500 m. (within Township Area only) in consultation with the concerned Divisional Joint Director of Town Planning.	The Development Plan/Regional Plan Reservations as the case may be, which are included in ITP shall be developed and handed over by the Project Proponent to the concern Authority, for the use of general public in lieu of TDR or as per regulations of Accomodation Reservation, such Reservation may be allowed to be developed. Such reservations may be allowed to shifted within Township Area , preferably along the boundary facing developed area so that general public can access these Reservations / Amenities without entering ITP area. In case of Regional Plan such relocation shall be carried out in consultation with the concerned Divisional Joint Director of Town Planning and in case of Development Plan in Consultation with concerned Planning Authority.
	iv) a) For the people residing in the project area, an efficient and timely public transportation system up to the nearest public transportation station/hub/depl/stand. He shall develop it himself or tie with Government /Semi Government or private transport agency for such efficient public transportation. The number of buses and trips will be decided by MSRTC /Local Transport Authority.	For the people residing in the project area, an efficient and timely public transportation system up to the nearest public transportation station/hub/depl/stand. He shall develop it himself or tie with Government /Semi Government / Planning Authority or private transport agency for such efficient public transportation. The number of buses and trips will be decided by MSRTC /Local Transport Authority. National highways and state highways: Lands underneath shall be transferred to concerned authorities by project proponent in lieu of FSI. Such lands however shall be counted towards the requirement of minimum area of ITP. Other DP roads: Land underneath shall be transferred to SPA or local authority by project proponent in lieu of FSI. Such lands however shall be counted towards the requirement of minimum area of ITP. Also, if project proponent so desires, then with the approval of SPA/ local authority project proponent may construct the road in lieu of construction TDR as per the design and specification approved by SPA/ local authority.
	n) Ensure that the buildings have at least 3 star rating from GRIHA	Ensure that the building have at least 3 star ratings from GRIHA /Silver from IGBC/Silver from LEED /equivalent rating from the ASSOCHAM GEM.
9	14.1.1.11 Occupancy Certificate :- i) Application for obtaining the Occupancy Certificate for building in project, in full or part shall be submitted by Project Proponents to the concerned branch Officer of Town Planning or to the concern Authority, as the case may be. Such application shall be accompanied by-	Application for obtaining the Occupancy Certificate for building in project, in full or part shall be submitted by Project Proponents to the concerned branch Officer of Town Planning or to the concern Authority, as the case may be. Such application shall be accompanied by

	ii). The concern Branch Officer of Town Planning shall grant Occupancy Certificate or reject the application giving specific reason within one month from the receipt of application.	The concern Branch Officer of Town Planning or the concern Authority, as the case may be, shall grant Occupancy Certificate or reject the application giving specific reason within one month from the receipt of application.
	iii) The Collector, before issuing the Occupancy Certificate for the project as a whole, shall verify and satisfy himself about the completion of erection / development construction of all the basic required infrastructure in Master Layout plan. In case, an application for part occupancy, such completion shall be as prescribed in phase programme	The concerned Collector or the Authority, as the case may be, before issuing the Occupancy Certificate for the project as a whole, shall verify and satisfy himself about the completion of erection / development construction of all the basic required infrastructure in Master Layout plan. In case, an application for part occupancy, such completion shall be as prescribed in phase programme
10	14.1.1.12 General Stipulations:	
	i) Development of basic infrastructure and amenities shall be completed by the Project Proponent's to the satisfaction of the Collector or the Authority as the case may be, either for whole or as per phases, of the project	Development of basic infrastructure and amenities shall be completed by the Project Proponent's to the satisfaction of the Collector or the Authority as the case may be, either for whole or as per phases, of the project
	iv) All the powers and functions that are supposed to be exercised by the Collector under this regulation shall be exercised by the Authority of the concerned Planning Authority wherever applicable, excepting the powers to grant Lener of Intent under Regulation No. 14.1.1.5 of this regulation. Such application shall be accompanied by the documents in two sets as prescribed below :-
	- Part plan of Sanctioned Regional Plan showing the lands under the Master Layout Plan - Bank Guarantee of requisite amount as prescribed in Regulation No. 14.1.1.12 (vi)	Part plan of Sanctioned Regional Plan or Development Plan, as the case may be, showing the lands under the Master Layout Plan Following Provisions shall be added in regulation No. 14.1.1.12 (vi) - Bank Guarantee shall be released as per stages of infrastructure Development. - If the basic infrastructure of the development is done before the commencement of the building, then no need of the bank guarantee at the time of Master Plan. if the infrastructure is getting built before taking the building permission then in such cases also there is no need of Bank Guarantee.
	g) Undertaking and Affidavit as may be prescribed by the Collector	Undertaking and Affidavit as may be prescribed by the Collector or by the Authority, as the case may be.
	J) Coloured Google earth image /Bhuvan image/Drone survey image etc. showing lands under Master Layout Plan	Location Marking on Coloured Google earth image /Bhuvan image/Drone survey image etc. showing lands under Master Layout Plan signed by the project proponent/s.

	ii) If the application is not accompanied by the documents mentioned in Regulation No. 14.1.1.6(i) above, the Collector shall convey the same to the Project Proponents immediately within 10 working days giving specific time period for fulfillment of such documents and if the same are not submitted by the said project proponent in given time then return the proposal at his level only.	If the application is not accompanied by the documents mentioned in Regulation No. 14.1.1.6(i) above, the Collector or the Authority, as the case may be, convey the same to the Project Proponents immediately within 10 working days giving specific time period for fulfillment of such documents and if the same are not submitted by the said project proponent in given time then return the proposal at his level only.
	iii) On receipt of application, complete in all respects, as prescribed under Regulation No. 14.1.1.6(i) above, the Collector shall forward the same to the concerned Divisional Joint Director of Town Planning for technical consultation within 10 working days.	On receipt of application, complete in all respects, as prescribed under Regulation No. 14.1.1.6(i) above, the Collector or the Authority, as the case may be, shall forward the same to the concerned Divisional Joint Director of Town Planning for technical consultation within 10 working days.
	iv) The office of the Divisional Joint Director of Town Planning shall send its remarks to Collector from the receipt of proposal within two months from the receipt of proposal from the Collector or receipt of reply from the Project Proponents in respect of any requisition made by him, whichever is later. Such master layout approval will be given with the condition that project proponent will not commence work without environmental clearance. Such environmental clearance shall be submitted at the time of sanction to the building permission. Sanctioned master Plan layout along with complete set of drawings shall be endorsed to the concerned branch office of Town Planning Department, for the further permissions.	The office of the Divisional Joint Director of Town Planning shall send its remarks to Collector or the Authority, as the case may be, within two months from the receipt of proposal from the Collector or the Authority, as the case may be, or receipt of reply from the Project Proponents in respect of any requisition made by him, whichever is later. Such master layout approval will be given with the condition that project proponent will not commence work without environmental clearance. Such environmental clearance shall be submitted at the time of sanction to the building permission. Sanctioned master Plan layout along with complete set of drawings shall be endorsed to the concerned branch office of Town Planning Department, as required for the further permissions.
	v) Approval to the Master Plan :- The Collector shall grant approval to the master layout or reject the application, under Section 18 of the said Act, within one month from the receipt of reply from the Divisional Joint Director of Town Planning as mentioned in Regulation No. 14.1.1.6(iv) above.	Approval to the Master Plan :- The Collector or the Authority as the case may be, shall grant approval to the master layout or reject the application, under Section 18 or section 45 as the case may be, of the said Act, within one month from the receipt of reply from the Divisional Joint Director of Town Planning as mentioned in Regulation No. 14.1.1.6(iv) above.

	vi) Approval to the building Plan :- Detailed building permission under the master layout plan sanctioned as per Regulation No. 14.1.1.6(v) shall be granted by the Assistant Director of Town Planning /Town Planning /Town Planner of concerned Branch or by the Authority, as the case may be, with prior consultation as prescribed in proviso to Regulation 14.1.1.12 (iv), within 30 days from the receipt of the proposal from the project proponent as mentioned in (a) below.	Approval to the building Plan :- Detailed building permission under the master layout plan sanctioned as per Regulation No. 14.1.1.6(v) shall be granted by the Assistant Director of Town Planning /Town Planning /Town Planner of concerned Branch or by the Authority, as the case may be, with prior consultation as prescribed in proviso to Regulation 14.1.1.12 (iv), within 30 days from the receipt of the proposal from the project proponent as mentioned in (a) below.
	a) The Project Proponents shall apply to the concerned head of the Branch office of the Town Planning Department, for grant of building permission, along with all relevant documents and attested copy of Environment Clearance for the project from MoEF or the Authority empowered by the MoEF.	The Project Proponents shall apply to the concerned head of the Branch office of the Town Planning Department, or to the Authority, as the case may be, for grant of building permission, along with all relevant documents and attested copy of Environment Clearance for the project from MoEF or the Authority empowered by the MoEF.
	b) The Project Proponents shall submit the certificate of Architect regarding completion of plinth stating that the construction of plinth is as per the approved building Plans to the concerned branch office of the Town Planning along with approved plan. The Branch Office of the Town Planning verify the same within stipulated time period. If it is found that the construction of plinth is not as per the building permission sanctioned, the said office shall reject such plinth checking certificate. In such circumstances, the Project Proponents shall either demolish the said plinth or get the revised plan sanction according to changes. If it is found that the construction of plinth is as per the building permission sanctioned, then granting the plinth checking certificate is not necessary.	b) The Project Proponent/s shall give intimation through his Architect, in the prescribed form in Appendix. F of UDCPR to the Concern Branch office of Town Planning or to the Authority as the case may be, after completion of the work upto plinth level. This shall be certified by Architect /licensed Engineer/Supervisor with a view to ensure that the work is being carried out in accordance with the sanctioned plans. After such intimation, the construction work shall be carried out further. The branch office of the Town Planning or the Authority, as the case may be, who are empowered to grant Development Permission, shall inspect about 10% of such plinth certified cases. If it is found that the construction of plinth is not as per the building permission sanctioned, the said office shall reject such plinth checking certificate. In such circumstances, the Project Proponents shall either demolish the said plinth or get the leveled plan sanction according to changes.
6	14.1.1.7 Planning Considerations	
	i) Permissibility in respect of Zoning :- b) For the areas falling in zones, other than residential, commercial and U2 zone as per the sanctioned Regional Plan the Project Proponents shall have to pay a premium for permitting project in such zones at the rates prescribed below in Table No. 14 A :-	For the areas falling in zones, other than residential, commercial and U zone as per the sanctioned Regional Plan or Development Plan, as the case may be, the Project Proponents shall have to pay a premium for permitting project in such zones at the rates prescribed below in Table No. 14 A. This Provision only applicable to new ITP's in Development Plan Area's.

Table No. 14 A

Sr. No.	Type of Zone	Premium Charges
1	Afforestation Zone Hill Top & Hill Slope Zone as shown as Regional Plan/Development Plan	15%
2	Public /Semi -public Zone, Industrial Zone, TH & LP	8%
3	Agriculture No Development Zone/GI zone /Low Density Residential Zone/Buffer Zone of ESZ and other zones excepting at Sr. No. a & b above	10%

Table No. 14 A

Sr. No.	Type of Zone	Premium Charges
1	Afforestation Zone Hill Top & Hill Slope Zone as shown as Regional Plan/Development Plan	15%
2	Public /Semi -public Zone, Industrial Zone, TH & LP	8%
3	Agriculture No Development Zone/GI zone /Low Density Residential Zone/Buffer Zone of ESZ / Mangroves /CRZ whether shown on Regional Plan/Development Plan or not and other zones excepting at Sr. No. a & b above	10%

ii) Permissible Floor Space Index (FSI) :-

b) Further, additional FSI on payment of premium as mentioned below Table No. 14B shall be permissible on payment of premium at the rate of 10% of the weighted average land rate of the said land as prescribed in Annual Statement of Rates for the relevant year, without applying the guidelines therein. Such premium shall be paid at the time building permission.

Table No. 14 B

Area under Township	Additional built -up area on payment of premium
40 hect. and upto 200 Hectar	Up to 70% of basic permissible FSI
More than 200 hect. And upto 500 Hectar	Up to 80% of basic permissible FSI
More than 500 hect. Hectar	Up to 100% of basic permissible FSI

c) Over and above the FSI as prescribed above, an additional FSI in lieu of construction of tenements for social housing shall be permissible as prescribed in Regulation No. 14.1.1.9 without charging premium.

b) Further, 100% additional FSI on payment of premium as mentioned below Table No. 14B shall be permissible on payment of premium at the rate of 10% of the weighted average land rate of the said land as prescribed in Annual Statement of Rates for the relevant year, without applying the guidelines therein. Such premium shall be paid at the time building permission.

Table No. 14 B

Area under Township	Additional built -up area on payment of premium
40 hect. and upto 200 Hectar	Up to 70% of basic permissible FSI
More than 200 hect. And upto 500 Hectar	Up to 80% of basic permissible FSI
More than 500 hect. Hectar	Up to 100% of basic permissible FSI

It is proposed to permit Incentive FSI at Par with the Provisions of UDCPR -2020 for construction of Green Buildings / ECGC Buildings in the ITP's.

	d) It shall be permissible to utilize the maximum permissible built-up area as prescribed above, anywhere in the area under sanctioned Master Layout Plan. UDCPR Regulation No. 6.3 Table 6G-Note (i) - Ancillary FSI is permissible in ITP. In the result, free of FSI items in the said scheme, if any, other than that mentioned in UDCPR shall stand deleted.)																																									
	iii) Mandatory Town -Level Amenities - Area and FSI Allocations :-																																									
	e) Public Assembly Facilities :- Town Hall and/or Auditorium including Library

	Note :- 1) Users as mentioned in b,c, d, e & f may be clubbed together, in Economic Activities Component, subject to condition that, total built-up area should not be less than the summation of minimum required for all such users, irrespective of their individual plot area requirements.	Note :- 1) Users as mentioned in b,e, d, e & f may be clubbed together, in Economic Activities Component, subject to condition that, total built-up area should not be less than the summation of minimum required for all such users, irrespective of their individual plot area requirements. No dedicated plot shall be insisted for Economic activities. Such activity may be allowed in the ITP area at suitable location/s and in composite building also. Economic Activities Component Users may be clubbed together with activities mentioned in c and d above, subject to condition that, total built-up area should not be less than the summation of minimum required for all such users and other use restrictions as mentioned in UDCPR. 2) However, for the additional FSI availed by paying premium, additional built up area for Economic Activities shall be provided @10%. 3) If any area as mentioned in 14.1.1.2 is excluded by the project proponent for calculation of FSI, then the mandatory Town level Amenities and 2% area to be handed over to local authority shall be calculated on the net area by deducting such excluded area from the gross plot.																												
	g) Public Utilities :- For Master Layout area up to & inclusive of 200 Ha.																													

	Note : 1) If the facility of the Cremation ground/Burial Ground is available in the village where the Township is located in such case these requirements need not be insisted subject to NOCs to respective Ggram Panchayat .	1) If the facility of the Cremation ground/Burial Ground is available in the village where the Township is located in such case these requirements need not be insisted subject to NOCs from to respective Ggram Panchayat Local Planning Authority, as the case may be.
	h) Transport and Communication :- i) The entire area of the project shall have a proper road pattern, taking into consideration the linkages with exciting roads or proposed Regional Plan / Development Plan roads, within the project and outside area as well. All such roads shall be developed by the Project Proponents as per standard prescribed by the Indian Road Congress.	i) The entire area of the project shall have a proper road pattern, taking into consideration the linkages with exciting roads or proposed Regional Plan / Development Plan roads, within the project and outside area as well. All such roads shall be developed by the Project Proponents as per standard prescribed by the Indian Road Congress.
	General Note For Amenities (a) to (h) : 1) The requirements prescribed above for items (a) to (h) are by considering FSI proposed for the project is only 1.0 If the FSI proposed is increased or decreased then the only built up area requirement shall be increased or decreased proportionately.	1) The requirements prescribed above for items (a) to (f) (e) are by considering FSI proposed for the project is only 1.0 If the FSI proposed is increased or decreased then the only built up area requirement shall be increased or decreased proportionately.
	14.1.1.7(v) - Share of Local / Planning Authority. The integration of Integrated Township Projects included in the Local / Planning Authority, gross area shall be earmarked and shall be handed over free of cost to the respective Authority for development of the City Level Facilities. For determining eligibility of ITP, the above 2% area shall be considered in area calculation. This area shall not contain area under hill slopes, and shall be accessible by major road. Base FSI of such 2% land shall be made available to the applicant on remaining land.	Regulation No. 14.1.1.7 (v) Share of Local / Planning Authority a) The integration of Integrated Township Projects included in the Local / Planning Authority, an area @ 2% of gross area after deducting area of Development Plan / Regional Plan Reservations if any (excluding D.P./ R.P. Roads / Roads Widening) shall be earmarked and shall be handed over free of cost to the respective Authority for development of the City Level Facilities. However, this provision shall not be applicable to the 2% Amenity Space which is already handed over to the Planning Authority. For determining eligibility of ITP, the above 2% area shall be considered in area calculation. This area shall not contain area under hill slopes, and shall be accessible by major road. Base FSI of such 2% land shall be made available to the Project Propent/s applicant on remaining land of the ITP area. b) If the Project Propent/s constructs the Amenity as per norms prescribed by the Authority and handed over the same to the Authority then he shall be entitled for Amenity Construction TDR as per Regulation No. 11.2 of UDCPR. Such TDR can be utilised within the same Local Planning Authority area or within the ITP area over and above ITP potential subject to other provisions of Regulation No. 11 of UDCPR. Also, provided that, if the land is handed over to Planning Authority and Project promonent is willing to construct the amenity in this land, than he will be eligible for the Amenity Construction TDR.

	New Regulation 14.1.1.7(vi) Accommodation Reservation (AR) Policy :-	Accommodation Reservation (AR) Policy :- The Development Plan reservations included in the ITP area may be developed as per the provisions of Accommodation Reservations (AR) i.e. Regulation No. 11 of UDCPR subject to following conditions :- a) Area to be handed over to the Local Planning Authority and area to be retained with the Project Proponent/s as per AR Regulations shall be an integral part of ITP and area / construction allowed to the Project Proponent/s may be developed anywhere within the ITP boundary. b) If the area of Reservations (excluding D.P. Roads/ Road Widening) is more than 51% of the area of the Master Plan Layout then such situation can be considered as hardship and a composite building may allowed by charging premium for Land component @ 20% of the average ASR rate of ITP. However if area of reservations (excluding D.P. Roads / Road Widening) is more than 70% of the area of the Master Plan Layout then such premium shall be @ 10% of the average ASR rate of ITP. c) Construction TDR generated by implementation of AR Regulations may be allowed to be utilised within the same Local Planning Authority area or within the ITP area over and above ITP potential subject to other provisions of Regulation No. 11 of UDCPR. d) Outside TDR shall not be applicable within ITP area. e) However, this provision of AR shall not be applicable for the area of Reservations which is already handed over to the Planning Authority.
7	14.1.1.8 Development Control Regulations :- For those aspects which are not covered under this regulation, prevailing provisions as prescribed in the standardised Development Control And Promotion Regulation for Regional plans in Maharashtra shall, apply mutatis-mutandis. The provision of MoEF CRZ notification amended from time to time shall also be applicable. However where in prevailing DCR of the respective authority the maximum height of building is not mentioned in such case the maximum height shall be allowed subject to provisions of Maharashtra Fire Prevention and Life safety measures Act 2006 and any restriction imposed by Chief Fire Officer.	For these aspects which are not covered under this regulation the prevailing provisions as prescribed in the sanctioned UDCPR as modified from time to time for Regional Plan or Development Plan area, as the case may be, shall apply mutatis-mutandis. The provisions of MoEF CRZ notifications amended from time to time shall also be applicable. Notwithstanding anything contained in UDCPR applicable for respective Authorities, the maximum height of building, as permitted by the Chief Fire Officer or Director, Maharashtra Fire Services, shall be allowed, subject to provisions of Maharashtra Fire Prevention and Life Safety Measures Act, 2006 and any restriction imposed by Chief Fire Officer.

8	14.1.1.10 Liability of Project Proponents :- ii) The Regional Plan Roads & Reservations which are included in ITP shall be Developed by project proponent and after development made available to the general public, Such reservations may be allowed to shift within 500 m. (within Township Area only) in consultation with the concerned Divisional Joint Director of Town Planning.	The Development Plan/Regional Plan Reservations as the case may be, which are included in ITP shall be developed and handed over by the Project Proponent to the concern Authority, for the use of general public in lieu of TDR or as per regulations of Accommodation Reservation, such Reservation may be allowed to be developed. Such reservations may be allowed to shifted within Township Area , preferably along the boundary facing developed area so that general public can access these Reservations / Amenities without entering ITP area. In case of Regional Plan such relocation shall be carried out in consultation with the concerned Divisional Joint Director of Town Planning and in case of Development Plan in Consultation with concerned Planning Authority.
	iv) a) For the people residing in the project area, an efficient and timely public transportation system up to the nearest public transportation station/hub/depl/stand. He shall develop it himself or tie with Government /Semi Government or private transport agency for such efficient public transportation. The number of buses and trips will be decided by MSRTC /Local Transport Authority.	For the people residing in the project area, an efficient and timely public transportation system up to the nearest public transportation station/hub/depl/stand. He shall develop it himself or tie with Government /Semi Government / Planning Authority or private transport agency for such efficient public transportation. The number of buses and trips will be decided by MSRTC /Local Transport Authority. National highways and state highways: Lands underneath shall be transferred to concerned authorities by project proponent in lieu of FSI. Such lands however shall be counted towards the requirement of minimum area of ITP.
	n) Ensure that the buildings have at least 3 star rating from GRIHA	Other DP roads: Land underneath shall be transferred to SPA or local authority by project proponent in lieu of FSI. Such lands however shall be counted towards the requirement of minimum area of ITP. Also, if project proponent so desires, then with the approval of SPA/ local authority project proponent may construct the road in lieu of construction TDR as per the design and specification approved by SPA/ local authority. Ensure that the building have at least 3 star ratings from GRIHA /Silver from IGBC/Silver from LEED /equivalent rating from the ASSOCHAM GEM.
9	14.1.1.11 Occupancy Certificate :- i) Application for obtaining the Occupancy Certificate for building in project, in full or part shall be submitted by Project Proponents to the concerned branch Officer of Town Planning. Such application shall be accompanied by-	Application for obtaining the Occupancy Certificate for building in project, in full or part shall be submitted by Project Proponents to the concerned branch Officer of Town Planning or to the concern Authority, as the case may be. Such application shall be accompanied by

	ii). The concern Branch Officer of Town Planning shall grant Occupancy Certificate or reject the application giving specific reason within one month from the receipt of application. iii) The Collector, before issuing the Occupancy Certificate for the project as a whole, shall verify and satisfy himself about the completion of erection / development construction of all the basic required infrastructure in Master Layout plan. In case, an application for part occupancy, such completion shall be as prescribed in phase programme.	The concern Branch Officer of Town Planning or the concern Authority, as the case may be, shall grant Occupancy Certificate or reject the application giving specific reason within one month from the receipt of application. The concerned Collector or the Authority, as the case may be, before issuing the Occupancy Certificate for the project as a whole, shall verify and satisfy himself about the completion of erection / development construction of all the basic required infrastructure in Master Layout plan. In case, an application for part occupancy, such completion shall be as prescribed in phase programme.
10	14.1.1.12 General Stipulations:	
	i) Development of basic infrastructure and amenities shall be completed by the Project Proponent's to the satisfaction of the Collector either for whole or as per phases, of the project iv) All the powers and functions that are supposed to be exercised by the Collector under this regulation shall be exercised by the Authority of the concerned Planning Authority wherever applicable, excepting the powers to grant Lener of Intent under Regulation No. 14.1.1.5 of this regulation. Provided that before grant or refusal to the Master Layout Plan, the Authority shall consult the, concerned Divisional Joint Director of Town Planning as prescribed in Regulation No.14.1.1.6 (iii) and (iv), is the Planning Officer posted in such Authority is below the rank of Joint Director of Town Planning, and to the concerned branch office of Town Planning as prescribed in Regulation No.14.1.1.6 (vi) and Regulation No.14.1.1.11, if the Planning Officer posted in such Authority is below the rank of Assistant Director of Town Planning.	Development of basic infrastructure and amenities shall be completed by the Project Proponent's to the satisfaction of the Collector or the Authority as the case may be, either for whole or as per phases, of the project All the powers and functions that are supposed to be exercised by the Collector under this regulation shall be exercised by the Authority of the concerned Planning Authority wherever applicable, excepting the powers to grant Lener of Intent under Regulation No. 14.1.1.5 of this regulation. Provided that before grant or refusal to the Master Layout Plan, the Authority shall consult the, concerned Divisional Joint Director of Town Planning as prescribed in Regulation No.14.1.1.6 (iii) and (iv), is the Planning Officer posted in such Authority is below the rank of Joint Director of Town Planning, and to the concerned branch office of Town Planning as prescribed in Regulation No.14.1.1.6 (vi) and Regulation No.14.1.1.11, if the Planning Officer posted in such Authority is below the rank of Assistant Director of Town Planning.

	vii) The Project Proponent/s shall construct and maintain the Fire Station building & Infrastructure at their cost. The project proponent shall post well-trained staff at fire station as per the recommendations of the Director of Fire Services. Maharashtra State / Chief Fire Officer of the concerned Authority or the cost of staff appointed by Chief Fire Officer for this purpose shall be borne by the Project Proponent. The amount of all expenditure on such staff shall be the responsibility of the Project Proponents. After completion of fire station and as per requirement such fire brigade station shall be handed over to the nearest respective authority on the terms and condition decided by the respective authority and project proponent	Provided that, if such fire station building and infrastructure is handed over to the concerned Planning Authority, in such cases, the expenditure on establishment and the expenditure shall be born by the concerned Planning Authority.
11	14.1.1.14 Transition Policy	
	i) It shall be permissible for the Project Proponent/s, to whom Special Township project has already been granted location clearance and/or LOI or the project is on-going wherein part Occupancy Certificate is granted before 26/12/2016 to-Occupancy Certificate is granted before 26/12/2016 to- b) If the project proponents wish to develop township according to this regulation then he may apply for grant of revised Location Clearance from State Government as per Regulation No. 14.1.1.4 alongwith the additional documents mentioned at Sr. No. (j) therein. Letter of Intent or Master. Layout Plan as the case may be wherever required under dis regulation.	It shall be permissible for the Project Proponent/s, to whom Special Township project/ ITP as per earlier Regulations has already been granted location clearance and/or LOI or the project is on-going wherein part Occupancy Certificate is granted as per then Prevailing Regulation before coming in to force of this Regulation.
12	14.1.1.18 Read the concern Planning Authority / Special Planning Authority constituted under relevant Acts instead Collector, wherever applicable.	Read the concern Planning Authority / Special Planning Authority constituted under relevant Acts instead Collector, wherever applicable except the powers to grant Letter of Intent under Regulation No. 14.1.1.5.
